

Veterans of Foreign Wars Auxiliary

Department of Wisconsin

Chief of Staff & Mentoring for Leadership

July 2021

www.wivfwaux.org

“OH FUDGE”Now they have done it! Combined two programs and just one Chairman! How *sweet* is that? YUP!!! It’s true!!! We are making it easier & better to promote and participate in the Chief of Staff and Mentoring for Leadership program for the 2021-2022 Auxiliary year.

Two Roles – One Goal

Maintain & Strengthen Current Auxiliaries, Establish New Auxiliaries

While we: Ensure a Positive Member Experience, Engage in Learning & Training Opportunities, Develop & Empower Members for Leadership Roles

Coming together to build on the VFW Auxiliary Foundation for the continued success for our organization is what it is all about.

Mentors: Lead the way to strengthen their Auxiliaries. This year we will be practicing the 3 C’s of mentoring: **Consultant**-this is the most important role of a mentor

Counselor-listen to your members

Cheerleader-give constructive feedback, advice, provide support & enthusiasm.

Chief of Staff: We will make sure we are Healthy Auxiliaries. The National Organization requires only five (5) things of an Auxiliary: Have you completed them?

Information will be in the monthly Chairman Bulletins.

We will be CHEERING our members & Auxiliaries on this year with a special project:

MENTORING FOR LEADERSHIP – AUXILIARY CHEER

Entry form can be found in this mailing. Start now, prepare to cheer your members & Auxiliary to *sweet* success! Fun for all those participating and an award for the best cheer selected!

Wishing all you *sweet* success as we “**Don’t Fudge on Care for Veterans**” and we will be “**Soaring...Above and Beyond**”.

Victoria Newbauer

Department Chief of Staff/Mentoring Chairman
