Hey there members
What do you know?
If you've got Auxiliary spirit,
Then let it show!

Say, "Hey! Hey!
C'mon Auxiliary, Let's go!"
"Hey! Hey! C'mon Auxiliary
LET'S GO!"

Let's get to our Auxiliary meetings excited about what we do! Welcome new members and explain our Auxiliary Traditions. Work together for increased membership and stay healthy.

We have many talented members who would love help with the Auxiliary CHEER project if you would just ask. The information for the Mentoring for Leadership project and entry form can be found in the July general mailing. This can be a fun way to keep your meetings from becoming boring, predictable or snooze-worthy. Have some fun. Create an Auxiliary cheer.

Remember the 5 Essentials of an Auxiliary:

- Auxiliary should have 10 business meetings per year. (Sec. 210)
- Dues paid for at least 10 members by December 31st. (Sec. 207)
- Quarterly Audits to Department Treasurer by deadline. (Sec. 814)
- Officers elected, installed and reported to National Headquarters & Department Secretary.
- President and Treasurer Bonded by August 31st.

Use MALTA Resources for information to keep your auxiliary healthy; such as: Healthy Check-up and Member Questionnaire.

If you are having problems - - now is the time to ask for help. Call me or Department President Inez.

"Don't Fudge on Care for Veterans" as we "Soar – Above and Beyond"

Work hard in Silence, let your success be your cheer!
