**At-Large Members**

When was the last time your Auxiliary or District did anything regarding the At-Large members in your area? Maybe their Auxiliary closed down or the member has moved. Why not find out who all of the At-Large members are in your area and reach out to them? It can be by phone, by email, or by letter. Send them a transfer form and see if they'd like to join your auxiliary. Explain to them all the projects your Auxiliary is involved in. Ask them what their interests are. Maybe you can find the perfect place for them that will benefit you all. Most people want to feel like they belong. What a great way to reach out and make them feel welcome!

**Third Quarter**

We have now officially started our third quarter of the year. Our next membership goal date is April 30, 2022. At that point we need to have another **64 new members for our Gain Goal** and our **Retention must be at 90%**. Everyone has been working so hard and I'm so proud of all of you. Let's keep up the great work! Watch our **Department Facebook page** for updates!

**Fudge Factory Update**

What a great time we had at the Mid-Winter event in Baraboo! I was so excited that all nine of our franchisees had reached 90% and were given their frosting and recipe to make their fudge. At Convention, they will turn their ingredients into some fabulous fudge, while adding a personal touch and we will use it to raise money for expenses in hosting the Big Ten Conference in October. Come help make this a great event!!! My next challenge for each Franchisee is to reach 100% by Convention in June. One District is already there and others are so very close!!! **Good luck to all of our Franchisees and May the Fudge be with you!!!**
