MAY – JUNE 2022 BULLETIN

Spring has sprung, and hopefully all our April Showers are bringing May flowers. By the time this goes to print and out to you, the finalists in the Patriot's Pen and Voice of Democracy will have been announced by National. Continuing Education Scholarships will be in the process of being judged. Young American Creative Patriotic Art contest will have also been judged at the State Level and sent on for National judging. I want to thank all those who worked hard on these projects with their Auxiliary and Post. Wisconsin has many talented young students, and we can be proud of all our participants.

As you know, our work is never ending and President Jean Hamil's special project this year was Fund the Future. To help make more students' dream come true is to donate to the Patriotic Art and Continuing Education Scholarships Funds. We still have May and June to help make this happen. This can be done either personally, through your local Auxiliary, your District or Department by entering it through MALTA. If you would like to establish a Patriotic Art Scholarship at the National level, please contact National headquarters at 816-561-8655 or email: [info@vfwauxiliary.org](mailto:info@vfwauxiliary.org) they will be more than happy to help you.

Let us finish this year with celebrating the making of dreams coming true!
