We continue supporting our Veterans and their families by embracing the VFW's Military Assistance Program (MAP), VFW "Sport Clips Help a Hero Scholarship" program, and Unmet Needs to provide for our veterans, service members and their families.

Our Military Assistance Program (MAP) is the outstretched hand between the local VFW and military community, offering support around the world. Since 2005, MAP has sponsored events supporting more than 2.3 million service members and their families.

A large part of MAP is the adopt a-unit program, providing VFW posts and auxiliaries the opportunity to adopt hundreds of military units around the world. The main goal is to develop supportive relationships with units around the world, before, during and after deployments to deliver vast network of resources the VFW has available to the military.

If you are a service member or a Family Readiness Group leader interested in participating in this program, contact the MAP office directly. For guidelines to apply for MAP funds, contact the VFW Veterans & Military Support office at 816-757-3390.

VFW "Sport Clips Help a Hero Scholarship Program provides service members and veterans with financial assistance they need to complete their educational goals without incurring excessive student loan debt.
