The end is fast approaching of our 2021-2022 VFWA year. However, our work for Veterans & Family Support is never ending. If you have not made a donation, please consider do so now. This can be done on-line: to VFW.org/ways to help, select Veterans & Military Support or by mail. Be sure to earmark Veterans and Family Support: VFW National Headquarters
ATTN: Veterans and Family Support
406 W. 34th Street 9th Floor
Kansas City, MO 64111

Remember, Veterans and Family Support contains 3 programs. MAP, Unmet needs and VFW Sports Clips help a hero scholarship.

Another piece of this program is National Veterans Service. NVS works to ensure ALL Veterans and service member, and their families obtain the benefits they have earned. Again, if you have not made a donation, please do so, it can still be made, on line or by mail. Same address only 11th Floor.

May is Military Caregiver Month, whether they are a family member, a friend, or an acquaintance of that Veteran, we should thank them for their much-needed support of our Veterans.

Last but extremely important are our Women Veterans. Ensuring women veterans receive Veterans benefits and services that honor their brave military service is one of the VFW’s top priorities. Currently women comprise 15% of the active-duty military and 18% of the Guard and Reserve. With the steady increase of women wearing our nation’s uniform and their increased role in military operations, it has never been more important that we ensure women veterans have a VA that is ready and able to care for them when they transition back to civilian life.
