

Veterans of Foreign Wars Auxiliary
Department of Wisconsin
Ways and Means
August, 2021

The District Presidents will have the Money Raffles to you as soon as they can, as well as the pins they collected from the July C of A. Most Auxiliaries will receive a packet. However, if you are an Auxiliary that did not receive a packet, please contact your District President. Each District President, her Senior Vice and Junior Vice received a packet as well. We really appreciate your help to support our “Fudge Friendly Fridays” money raffle to keep our department healthy. These “Fudge Friendly Fridays” money raffles make great gifts as it gives the recipients many chances to win money... and who doesn't like to win money?

President Pins are still available, so please contact me or your District President for some. The District Presidents received extra to have them available for you. They are only \$3 and I think they are very pretty.

Keep up your great work supporting our veterans, serving members and all the homeless as we stay on track and:

“Don't Fudge on Care for our Veterans”.

I am available with any questions or concerns.

Diane Lutovsky

Co-Chair - Barbara Stillman
