

Veterans of Foreign Wars Auxiliary
Department of Wisconsin
Ways and Means

December 2021 and January 2022

www.wivfwaux.org

We are switching gears for our Mid -Winter event in February that had been planned. This is due to time restrictions and other issues raised. We will have some wonderful Baskets and 50/50's will be available for our fund raisers.

There are still a few of the President pins available, and I will have what I have left with me to sell. Hopefully, you have yours or contact your District President to see if they still have any for you.

Remember to start checking the Wisconsin VFWA website to see the money raffle winners for December and the following two months. Will you be one of the lucky winners?? Thank you to everyone who purchased a money raffle to help support our organization and our veterans.

Try to do good will within your Auxiliary and for our veterans and their families during the upcoming holidays. They will appreciate it more than you could know.

Have a blessed holiday season, stay healthy, happy, and safe.

Please “Don’t Fudge on Care for our Veterans”, as we are “Soaring Above and Beyond” in these troubling times.
