Congratulations everyone! We are not 100% on the Money Raffles, but we are very close. Over all there were less than 100 sold from all the Auxiliaries. We are in balance and still on target for the year in our fund - raising efforts. I have just checked the website and we have a winner as far away as Florida! This is amazing and I hope the winners are happy with their prizes.

Mid-Winter will be over by the time you have this in your hands, but I know we will all have a great time and experience. The March bulletin will have more information on everything.

There will be fun at the up-coming Convention in June. Districts will again have a basket to present for our fund raiser, so make sure to get something to your District President to make these baskets outstanding. 50/50's will also be available so have some funds available for a great chance.

The President Pins were so popular, they are almost sold out. This has been a wonderful pin to display.

Thank you for your wonderful support this year. Everyone who participated and helped is appreciated!

Please **“Don't Fudge on Care for Veterans”**, as we are **“Soaring Above and Beyond”** in these troubling times.
