

Veterans of Foreign Wars Auxiliary
Department of Wisconsin
Ways and Means
July, 2021
www.vfwaux.org

The “Fudge Friendly Fridays” Money Raffle will kick off in December, January and end in February.

The cost of each Money Raffle is \$20. There will only be 1,300 printed this year and **hopefully** everyone one will help get these raffles out to the Auxiliaries, Posts and Community.

Raffle tickets will be handed out in July at our Kick Off at the Council of Administration in Eau Claire. **Guidelines will be with each envelope to each Auxiliary...** as well as a copy of each Auxiliary and the number of raffles they will receive and promote.

Money Raffles may not be placed in the United States Mail, or any other mailing service. We will work together to hand them out and have them all returned.

Please take the time to read the guidelines and ask any questions of me or Barbara. Your Auxiliary should purchase at least one money raffle. Sell them to your members, your Post members, bingo players, neighbors and friends. Try not to return any of these raffles. Be encouraging, ask the person to help our Auxiliary in raising revenue for our treasury to help us with the mission of serving our Veterans, our current military and their families. Thank you for you efforts.

President Pins are available to those that did not preorder. Make sure you stop by and purchase them. They can make a great gift for someone.

Mid-winter will see us with a special little promotion that we hope you will get you in the spirit and enjoy. Baskets will be available for chances to win and 50/50 tickets will also be available.

Get on board and “Don’t Fudge on Care for Veterans”, as we raise funds to support our Department Treasury. Thank you, thank you!
