Hopefully, your Money Raffles are well in hand and are out in the community. I understand that sometimes people do not want to donate to a fund when there are so many different needs out there. All we can ask is that you try! Call me before it is too late to get the Money Raffle out there. Someone else may have a way of getting these marked with a name and funds in hand. We are getting down to the final count for this to happen. Remember that the stubs and money must not go into any mailing system. You have to have these into our Dept. Treasurer Lennie's hand by November. Good luck to everyone who participates.

Midwinter plans are in the works, so hopefully you will be able to be with us for this mystery. More information will be available in the November bulletin. Get excited!

Don't be discouraged if you are having any troubles in your life at this time. Find something good to do, then go and do it. Take a deep breath of air if you are able to and be thankful for the little things in life. Remember you are never alone.

Please "Don't Fudge on Care for our Veterans", as we are "Soaring Above and Beyond" in these troubling times.
