

Veterans of Foreign Wars Auxiliary

Department of Wisconsin

Ways and Means

September, 2021

[www.wivfwaux.org](http://www.wivfwaux.org)

Your “Fudge Friendly Fridays” Money Raffle’s should be or will be in your hands very soon. Remember the reason we are asking for donations on these raffles is to continue raising money for our veterans, our current military and homeless veterans.

With the powerful words of “will you make a donation for this money raffle ticket to help us to serve our veterans” you will get yes from many people you know.

Read the information in your packet! The money raffle stubs and raised funds must not be put into any mailing service due to our license. Please contact your District President to arrange getting them to him/her. You have until November or the date set by your District President to get this done. If you are having problems getting these out to your Auxiliary, Post, friends and neighbors, contact your District President or me to arrange an alternative. Please do not wait until the last minute.

The President’s Pin is very attractive and I hope you have yours. It is a heart shaped flag with five stars representing our five branches of militaries across the middle. Hopefully, you ordered yours or will purchase them from your District President or representative during their visit. I have less than one hundred left in hand, so if interested let me know.

Get on board the “Don’t Fudge on Care for our Veterans”, as we are “Soaring Above and Beyond” as we continue raising funds to support our department treasury.
