

**VFW AUXILIARY  
DEPARTMENT OF WISCONSIN  
GENERAL ORDERS  
NOVEMBER 2021**

**GENERAL ORDERS # 5 MUST BE READ AT MEETING (even if emailed to Auxiliaries)**

**GOOD NEWS:** as of November 16, we will have two new Auxiliaries in Wisconsin. They are #8400 in Land O Lakes, District 10 and #8482 in Oak Creek, District 4. Welcome and congratulations to all the new members. Also, thank you to Vicki and Lenore for making this happen.

The annual meeting and Halloween Party at the VFW Children's Home in Eaton Rapids Michigan was October 23. It is always great to see all the children in their costumes. It would be nice if every member could visit there at least once to see the wonderful place that our VFW and Auxiliary have provided to give needy families a new start.

Veterans Day is November 11. Don't forget to thank your Veterans. Hopefully, we can get back in the schools to celebrate this special day.

November 13 is a Council of Administration meeting in Strum. All are welcome.

Your donations for all our programs are important to carry out the commitments we have made. Send a monetary contribution to: Department Treasurer: Lenore Otto, 1383 W. Wisconsin Ave., Oconomowoc, WI 53066. Earmark to specific program.

We now have to put forth the extra effort it takes to reach our goal of 100%+ in membership. Treasurers, you must send transmittals as soon as you receive them and begin calling those unpaid members now. Consider replacing some of the Auxiliary members you lost by asking male family members to join your Auxiliary.

Of course, we can't forget "Turkey Day" when we stuff our faces with turkey, mashed potatoes and all the goodies that go with it. Before we do that, we must remember to give thanks for all our blessings. Some of us might have more to be thankful for than others, but we all must be thankful to be living in a free country and not in those countries that have no freedom.

May God keep us all safe and warm as the colder months arrive.

God bless all our military and veterans and keep them safe.
