

VETERANS OF FOREIGN WARS AUXILIARY
Department of Wisconsin
September 2021 – General Orders
www.wivfwaux.org

General Orders must be read at meeting (even if emailed to Auxiliaries).

As I write this, I have just returned from the National Convention. There were several resolutions passed that will make changes in our By-Laws. Resolution #6 submitted by the Department of Minnesota, will require that the Auxiliary President or at least one representative (member of the auxiliary) attend all properly called District Conventions or meetings. This resolution passed. There are only two or three District meetings a year, so this should not be difficult to do. More information on this will be forthcoming. Because of all the changes to the By-Laws, I STRONGLY REMCOMMEND that each Auxiliary buy a By-Laws book for their President, Secretary and Treasurer when the new ones become available.

You should all have your raffle tickets. If you do not have them yet, please call your District President and ask for them ASAP. They need to be sold so that your District President, the Sr. or Jr. Vice can collect the stubs and money when they make their official visit. Remember, **NO** stubs or money through the mail. It is very important that you sell them all, as this is the main source of income for our Department. Each Auxiliary should buy at least one. Your Auxiliary could be a lucky winner!

Students are back in school, so it is time to get out the word about our National Scholarships...the Voice of Democracy and the Patriot Pen's contests. This is a great opportunity for students to express their feelings and win some money.

Are you getting those dues collected and working on getting new members? Let's hit that 100%+ in membership.

Please make sure you READ all the Chairmen's bulletins. You can keep up-to-date on all deadlines, contests, and awards you can earn for all your dedication and hard work. The Chairmen work hard to make their programs a success and your participation is a key part of that. Thank you for your attention.

POW/MIA Recognition Day is Friday, September 17, 2021. Has your Auxiliary planned a special ceremony to recognize this day?

If you are ill, I wish you good health. If you are mourning, I wish you peace. May God bless each and every one of us.
