OPERATION: MARKET SHARE

Compete for control while protecting your brand's territory

Two teams fight to steal the other's "market share" (flag) and return it to their base while defending their own.

Capture the Flag

EXECUTIVE PROTECTION PLAN

Safeguard your leadership. Sabotage theirs.

Each team has a VIP (CEO) to protect. Your mission? Keep yours safe and eliminate the competition's exec.

Protect the President

HOSTILE TAKEOVER

Defend your assets or launch a full-blown acquisition.

One team defends a "strategic asset"; the other team goes on offense. Roles flip after time or successful takeover.

Attack and Defend

CONTAGION: OFFICE EDITION

One infected... now it's spreading through the company.

A few players start "infected." Anyone they tag joins the infection. Game ends when all "staff" are converted.

Zombie Apocalypse

CRISIS RESPONSE UNIT

Revive your team. Restore operations.

A designated team medic revives teammates under fire. Last team standing with someone left to heal wins.

Medic

THE BOARDROOM DUEL

One shot. High stakes. No room for error.

Teams face off and take turns with single shots. Elimination only happens with a head or torso hit. Precision matters.

Civil War

Ask about our "Corporate Combat" format—built specifically for goal-oriented teams.
