Petition to The Board of Selectman to Vote No on the proposal to Close or Abandon Mill Pond Road, Truro, MA

A recommendation has been made to the Board of Selectman to close or abandon Mill Pond Road. Consultants also offered two equally good alternative plans. Both suggest enlarging the culvert to bring more tidal flow to Mill Pond. Visit <u>www.savemillpondroad.com</u> to view project details and the case against the plan. Sign petition online at change.org. Email our selectmen to vote NO. Join the conversation on FB.

We, the undersigned, are concerned citizens in opposition to this proposal and we urge our leaders to vote against any action to close or abandon Mill Pond Road, Truro, and to vote for a culvert pipe option instead.
