ABOUT US

Who We Are & What We Stand For

Countrywide Medical Billing Services LLC offers **expert revenue cycle management** tailored for healthcare providers across Illinois and nationwide. Our dedicated team ensures accurate billing, maximizes reimbursements, and lets you focus fully on patient care. We combine deep billing expertise with cutting-edge technology to deliver **measurable, transparent results**.

Accuracy & Compliance

Ensuring precise CPT/ICD-10 coding and strict adherence to payer regulations — minimizing denials and ensuring full, timely reimbursements for every encounter.

01

Efficient Claims Management

Streamlining submissions with thorough eligibility verification, same-day ERA posting, and aggressive follow-up to accelerate your cash flow.

02

Strong Communication

Maintaining transparent communication with patients, providers, and payers to resolve issues promptly — enhancing satisfaction and reducing billing friction.

03

Proactive A/R Recovery

Systematically pursuing outstanding balances through denial management, appeals, and legacy claim recovery — converting aged receivables into real revenue.

04
