## LRC NEEDS YOU

Lakewood Racquet Club is a member-owned club, and our future is shaped by members who step up and get involved. Our committees play a key role in guiding everything from membership growth and financial health to facility improvements and social events. We are currently looking for members to join the Membership, Building & Grounds, Social, Finance, and Planning Committees. Whether you have professional expertise to share or simply care about the long-term success of the club, your perspective matters. Serving on a committee is a great way to contribute, connect with fellow members, and help shape what LRC looks like in the years ahead.

## PHOTOS

To help our staff get to know you better and make check-in smoother, the front desk will begin taking photos of members for their CourtReserve profiles. These photos will appear on your account and on the check-in screen for staff reference only. Unfortunately, CourtReserve does not allow members to upload their own photos, so we appreciate your help the next time you're at the club. Thanks for helping us put names to faces and create a more welcoming experience for everyone.

## PICKLEBALL PRO TIP:

Keep your paddle up and ready at the net. A higher ready position shortens your reaction time, helps you handle fast volleys, and keeps you in control during quick exchanges. Small adjustment, big payoff.
