A NOTE FROM LILY

Hi everyone,

I wanted to share a bit of personal news with you all. In the spring of 2026, I'll be relocating to the east coast, which means I'll ultimately be stepping away from my role as General Manager at LRC.

That being said, I'm not going anywhere just yet. I'll continue serving as GM through spring of next year, and in the meantime, I'm as committed as ever to the work we're doing together. I've truly loved being part of this community. It's been one of the most meaningful chapters of my professional life, and I feel lucky every day to work alongside such a passionate and dedicated group of members and staff.

The Board will begin the search for a new GM this coming November and is putting together a hiring committee to help with the process. We're taking a thoughtful, intentional approach to make sure the next leader is a great fit for LRC and ready to carry the club forward.

I'll have more to share down the road, but I wanted to let you all know now so we can be open and transparent about what's ahead. While it's bittersweet to think about leaving, I feel excited for the club's future. LRC has such a strong community and I know that strength will carry into the next chapter.

Thank you for being such a huge part of why this place feels like home. I'm looking forward to a great year ahead with all of you.

Warmly,
Lily Blackwell

EMPLOYEE OF THE MONTH

DETECTIVE

ACE VON DINKSWORTH

RODENT DIVISION

ABOUT ME

Hi there. Name's Detective Ace Von Dinksworth - Vermin Division. You can call me Ace. I may be cute, but don't let the soft fur and my extra toes fool you. I'm on the job 24/7 (unless I'm napping, which is a tactical recharge, thank you very much).

I'm about a year old, give or take a few cat naps. I was born with a few extra toes. I'm called a polydactyl, which means I've got built-in mittens and the best grip in the business.

I believe in justice, kindness, and sitting directly on important papers.

FUN FACTS

- Hidden Talent: my extra toes make me 87% better at solving crimes (and opening cabinets)
- Zodiac Sign: Cancer
- BFF: my lieutenant, Alana
- If you see me, I accept your gratitude for my service in the form of pets & scratches
