LEVELS	DESCRIPTIONS
<b>Level 1 - Red Ball</b>	For players ages 5-8 and under who are new to tennis. Red low-compression balls bounce lower and move more slowly through the air, giving beginning players a chance to set up and take a good swing at the ball. Courts at this level are 36' x 18', with a net that is 2'9" high. We'll focus on developing of the ABC's of tennis (agility, balance and coordination) while introducing proper technique that will enable these young players to rally.
<b>Level 2 - Orange Ball</b>	For players ages 8-10 with little or no experience. Once comfortable at the Red Ball level, players graduate to playing at the Orange Ball level. Orange low-compression balls are 50% of a normal ball's pressure. Players will continue to work on tennis fundamentals in addition to learning to hit with direction, height, and depth. We will focus on the fundamentals necessary to serve and rally using a game-based curriculum and continue to develop the athletic skills essential to the sport.
<b>Level 3 - Green Ball</b>	For players ages 10-13, the Green Ball level is a progression from the Orange Ball level and is an introductory program. Players will build athletic fundamentals by learning proper footwork and racquet mechanics. At this level, players will be able to use a full-sized court and the green low-compression balls that are 75% pressure of a normal ball. We'll focus on teaching the basics of rallying, serving, and keeping score with an emphasis on fun.
<b>Level 4 - Intermediate</b>	For players ages 11+ with little or no tennis experience. Players will learn the skills necessary to play on a high school team. Focus is on how to serve, rally, and keep score. This is a great opportunity for any teen interested in learning to play tennis and improving their match play in preparation for joining a team.
<b>Level 5 - Advanced</b> (Invite Only)	For advanced level juniors who are pursuing a ranking and want to reach the highest level of play. Focus is on high level skills and strategies for tournaments and matches. Players with a passion to play tournaments and compete at an advanced level are welcome to this class.
