LEVELS	DESCRIPTIONS
Level 1 - Red Ball	For players ages 5-8 and under who are new to tennis. Using red low-compression balls (25% of normal ball pressure) and a reduced-size tennis court.
Level 2 - Orange Ball	For players ages 8-10 with little or no experience. Using orange low-compression balls (50% of normal ball pressure).
Level 3 - Green Ball	For players ages 10-13 with little or no experience. Using green low-compression balls (75% of normal ball pressure).
Level 4 - Intermediate	For players with prior tennis experience who are ready to advance their skills and take the next step in competition. This class focuses on strengthening fundamentals—serving, rallying, scoring, and match play—while also introducing higher-level strategies and tactics used in tournaments and team matches. It is designed for those preparing for school tennis or beginning to explore competitive play. Players will build confidence, improve consistency, and learn how to apply their skills in both team and tournament settings.
High Performance 1	This class is designed for players who are actively working to improve their UTR, earn or raise a USTA ranking, or compete successfully at the state and sectional level. Training emphasizes advanced stroke production, point construction, match play tactics, and the mental and physical preparation necessary for high-level competition. Players can expect a challenging environment that pushes them to refine their strengths, address weaknesses, and develop the consistency and resilience required for success in tournaments. Admission is by invitation or coach approval only.

Any medical conditions and/or allergies:

*If levels 4, HP1 or HP2 only have one participant, the lesson will be 1 hour.
