# LAKEWOOD RACQUET REPORT

## GUEST PASS - DAY PASS

There has long been confusion about how our guest pass works. Is it for one court block, one work out, or the full day? To make things simple and more welcoming, the Board has approved an update. Beginning March 1, guest passes will be valid for the full day.

If you invite a friend to join you for an 8am match, they are welcome to return later that evening for Mixed Night at no additional cost. They may also come back later that same day to play on another member's court or use the fitness center. Guests may not reserve courts themselves, but they are welcome to participate throughout the day as invited guests.

Please note that guest passes remain limited to six visits per guest, per year.

A guest pass is meant to be a genuine invitation into our community, not something limited to just a 90 minute court block. We hope this makes it easier and more enjoyable to share LRC with friends.

Best,  
Lily Blackwell  
Outgoing General Manager  
Lakewood Racquet Club

## THANK YOU!

We would like to extend our heartfelt thanks to the generous anonymous donor who funded the replacement of our dishwasher after the previous one unexpectedly failed. Your thoughtfulness and swift support ensured minimal disruption to our operations and means so much to our staff and members. Acts of generosity like this truly strengthen our club community, and we are deeply grateful.

## PHOTOS

To help our staff get to know you better and make check-in smoother, the front desk will begin taking photos of members for their CourtReserve profiles. These photos will appear on your account and on the check-in screen for staff reference only. Unfortunately, CourtReserve does not allow members to upload their own photos, so we appreciate your help the next time you're at the club. Thanks for helping us put names to faces and create a more welcoming experience for everyone.

## BOARD OF DIRECTORS MEETING MINUTES

Board meeting minutes are now available on CourtReserve. To access them, log into your account, go to your home page, and simply scroll down to the section labeled "Board Minutes." Click there to view the most recent postings. We've received many member requests for easier access to board updates, and we're glad to make this information more readily available to you.
