VETERINARY MEDICINE INTERNSHIPS

**Work hands-on with farm
animals**

**Unique youth learning
opportunity**

**Perfect for pre-vet, pre-med,
wildlife, & biology majors**

**Learn from a professional
veterinarian**

Veterinary medicine is the branch of medicine that deals with the prevention, control, diagnosis, and treatment of disease, disorder, and injury in animals.

Veterinary Medicine Internship Program Goals:

- Introduce youth to the foundations of veterinary medicine
- Introduce youth to the basic concepts of veterinary medicine
- Introduce youth to career opportunities in veterinary medicine

Information & Application at: steamonward.org/yrcp-internships
