

Your Wedding at **Swaffham** **Assembly Rooms**

Enjoy Georgian splendour for a modest outlay on your big day

Big or small, modern or traditional, casual or formal. Whatever you have envisioned for your wedding reception, we can help to make it a reality.

swaffhamassemblyrooms.co.uk

About the Venue

Ideally located in the historic market place of Swaffham, Norfolk, the Assembly Rooms make an ideal venue for your wedding reception.

A stunning Georgian building with modern facilities.

Regency Room

The **Regency Room** is the smaller of the two main rooms in the Assembly Rooms and can seat up to 60 people.

The room has a small, open kitchen in one corner with a sink, cupboards and water heater. This space can make an ideal bar area for your event.

Period features include a marble fireplace, crystal chandeliers and original windows.

Hire of the entire building starts as low as £650.
We can be as involved as much or as little as you like.
If you're doing a DIY wedding we can leave you to get creative or if you need some inspiration, we offer a range of packages for all budgets (see page across).

The **Ball Room** is the larger of the two main rooms in the Assembly Rooms and can seat up to 100 people.

The room also has a wireless omni sound PA system, perfect for making sure the wedding speeches are heard loud and clear!

There is a hatch, connecting the kitchen next door, for ease of service.

The Ballroom

Catering Options

As well as offering packages for decor and prop hire we can also organise a bar and catering too.

Whatever your theme or budget we can put together a tailor made menu that suits. So whether you'd like **fine dining** with waiter service, traditional **afternoon tea**, or an informal **buffet** we can take the stress out of planning.

Events Co-ordinator

Let our in-house events co-ordinator, **Jelena**, help to make the planning for your big day as enjoyable and hassle free as possible.
