Volume 14 Issue 1 2026

## High-Low

"Faith is not knowing what the future holds,  
but knowing who holds the future."

Most evenings around the dinner table, our family plays a game called *High-Low*. We take turns sharing the best part of the day and then the least favorite part. Sometimes the answers are silly; other times they are wildly inappropriate (I live with a lot of boys!). There are evenings when we have to search hard for a "high" after a difficult day, and other days when one of the little ones announces, "Everything was good! Best day ever!" This simple ritual gives me a small window into their lives and helps us stay connected to one another.

As we near the end of another year, reflection seems natural. Perhaps 2025 has been a wonderful year for you. For our family, it was a difficult one. Loss, death, and grief wove their way through the seasons. And yet, this same year brought one of the greatest "highs" of my life: the birth of my first grandson, Myles. I was present for his birth and the days that followed, have been blessed to see him often over the past few months, and even had him in our home this past week. So much joy contained in such a tiny person. Watching him smile, learn to walk, interact with his uncles and aunt, and seeing my own child become a parent has been a profound gift.

No one knows what 2026 will bring. The hymn *I Know Who Holds Tomorrow* offers these words: "I know who holds tomorrow, and I know who holds my hand." Hopes, goals, and aspirations for the new year are good and faithful practices, yet much remains beyond human control. James reminds us, "You do not know what tomorrow will bring. What is your life? For you are a mist that appears for a little while and then vanishes" (James 4:14).

There will be both highs and lows in the year ahead. Whatever the new year brings, trust can be placed in God who goes before us and walks beside us. May 2026 offer fresh opportunities to grow in faith and to live that faith with intention, courage, and hope.

Happy New Year! Pastor Laura

## Faith and Wellness

Welcome to the New Year! We hope that you had a blessed and joyous Christmas Season. As we enter January, Cathy DuBois, of our Faith and Wellness Team, is coordinating our effort to “Be a Ready Congregation.”

In today’s world there can be a lot of uncertainty and the best way to deal with it is to be prepared ahead of time. To be prepared saves lives; to do nothing reduces your chance of survival. Our churches have traditionally been a sanctuary of safety and peace but they are not immune to fire, severe weather or gun violence. Therefore we are offering the following programs:

1. Sunday, January 11th at 9:00 am in the sanctuary: “Stop the Bleed.”
2. Saturday, January 24th at 10:00 am in the sanctuary: “Active Shooter Training” presenter is Joliet Police Officer Chuck Mascolino.
3. Sunday, January 25th at 9:00 am in the sanctuary: “Be a Ready Congregation: Fire, Severe Weather and Active Shooter”.

Sunday, January 4th, the 1st Sunday of the month, BP readings are done in the library from 10:00 — 10:25 am.

Faith and Wellness Team’s meeting is Wednesday, January 7th at 12:00 noon.

Happy New Year!

Your Faith and Wellness Team

## THANK YOU

"A Future With Hope", our Stewardship Campaign last fall to underwrite the budget for 2026 resulted in 71 pledges for \$232,442. This reflects a few more pledges and a few more dollars than last year, and as a result the Church Council had the confidence to approve a budget for this year similar to that of 2025. Thanks to those who pledged for your continued financial support, and to all who share their time, talents, gifts, service and witness at Grace Church.

Jim Morrow

Finance Committee Chair

## BE A READY CONGREGATION

### Join us in January

Last November I (Cathy DuBois) represented our church in Elgin for a 2.5 hour training seminar presented by our Northern Conference on how to address Active Shooters in the religious communities. We were asked to bring back the info to our individual churches. We have formed a task force within our congregation who have agreed to attend training and review it annually to stay prepared. But the training is open to all who are interested.

Churches have traditionally been a sanctuary of safety and peace, but they are not immune to fire, severe weather, and gun violence. The purpose of this training is not to upset anyone, but to help us be prepared ahead of time. To be prepared saves lives, to do nothing reduces your chance of survival.

### PLEASE SAVE THESE DATES, BE PREPARED
