3.1 Men's Residential Program

ABOUT EPIC11 RECOVERY SERVICES

Healthcare's residential facility offers personalized care for men facing substance abuse, helping them overcome challenges and achieve recovery goals in a supportive environment. Licensed in Maryland and accredited by JACHO, Pyramid Healthcare provides high standards and customized treatment. Epic11 Group Recovery Service in Baltimore offers 24/7 admissions, ensuring immediate support for those struggling with addiction. Their compassionate team assists individuals through the process, while complimentary transportation services ease access to treatment. Epic11 aims to make the recovery journey accessible and stress-free, supporting individuals in taking the crucial step toward healing.

LOW-INTENSITY RESIDENTIAL SERVICES FOR MEN

Epic11 Group Recovery Service in Baltimore, MD, offers low-intensity residential services (ASAM level 3.1) for men transitioning from extended care. This program supports individuals in maintaining sobriety, building life skills, and addressing remaining challenges through therapy and counseling in a structured environment.

Additionally, Epic11 provides specialized co-occurring treatment for men facing both substance use and mental health disorders. The program focuses on simultaneous care, including therapy, counseling, and medication management, helping clients develop healthier coping mechanisms and emotional resilience. The structured therapeutic environment supports long-term recovery and mental wellness, ensuring personalized care for lasting stability and sobriety.

TREATMENT FOR UNINSURED CLIENTS IN MARYLAND

Epic11 Group Recovery Service in Baltimore, MD, is dedicated to providing accessible treatment, including for individuals without insurance. They assist patients in applying for state funding post-admission to overcome financial barriers to recovery. The center accepts major insurance providers, ensuring personalized and effective addiction treatment. Contact them to begin your journey toward a healthier, addiction-free life.
