A method of public financing for campaigns for state-wide office shall be established by law. Spending limits shall be established for such campaigns for candidates who use public funds in their campaigns. The legislature shall provide funding for this provision.

### **Amendment 2: Right to Fish and Hunt**

SECTION 28. Fishing, hunting, and the taking of fish and wildlife, including by the use of traditional methods, shall be preserved forever as a public right and preferred means of responsibly managing and controlling fish and wildlife. This section does not limit the authority granted to the Fish and Wildlife Conservation Commission under Section 9 of Article IV.

### **Amendment 2: Right to Fish and Hunt**

Qualifying hunting and fishing as a constitutional right is not the issue.

The danger of this amendment is listing these practices as the primary means of responsibly managing and controlling wildlife.

For the future and health of Florida's wildlife and environment, this constitutional amendment presents more harm than good.
