Re: Rick Vimmerstedt

To Whom It May Concern:

I have known Rick Vimmerstedt, professionally and personally for many years. He has acted as an expert witness for me in automobile valuation matters, and has also rendered mechanical services to my 1974 E Type Jaguar OTS. Both in his capacity as an expert witness/appraiser and in his capacity as a mechanic for antique and exotic cars, his services are exemplary. Mr. Vimmerstedt enjoys an outstanding reputation in the industry and I know of no one who has such a thorough and comprehensive sense of valuations relating to antique, exotic and collectible cars.

Please let this letter serve as the highest recommendation of his abilities. I would be pleased to discuss his qualifications with you.

Very truly yours,

John H. Bill
