SPECIAL NOTE: "Done IMPROPERLY, Recycling becomes Trash"

- Please recycle clean containers. If you can't clean them, place in your trash cart.
- Throw all plastic bags, Styrofoam and pizza boxes in your City trash cart. The bags can be re-used at home as trash liners or for pet waste collection. You can also return your bags to your grocery or shopping store for recycling (if they accept them) or reuse them the next time you shop.
