#### Whelping expectations:

- Owner must provide SSF with the most current and up to date vaccination records for the dam.
- Owner must provide SSF medical clearance from the vet that discharged the dam after C-section and any notes regarding the health of the litter.
  - All SSF pets are guaranteed up to date on current vaccinations.
- SSF can pick up the litter and the dam from the vet once they are cleared to go or the owner can deliver to SSF.
- Upon pick up or drop off please provide the requested items:
  - Dams current food, enough for the length of time she will be staying with us.
  - Any medicine or supplements the mama is currently on or needs to take
  - A blanket, towel or dog bed the dam is familiar with and has used.
  - Dams collar and leash
- Should an emergency or concern arise, the litter owner will be notified at once.
  - The owner of the litter will be notified as to what emergency facility or Veterinarian SSF will be using in the event that owner is not available to take the puppy/puppies themselves.
  - All calls with the vet concerning diagnosis will be done with all parties included: Litter owner, SSF, and Veterinarian.
  - Litter owner is responsible for all veterinary expenses and will pay the vet at the time of the visit.
  - Owner will have access to all records involving the dam or the litter.
- Owner may come to the house to inspect the facilities. Please call 10 minutes before arrival.
- Owner may request Face Time, videos, and pictures any time.
- SSF will send the owner daily updates and photos of the dam and the litter.
- As stated above, if the owner goes past the schedule whelping timeline, without previous discussion of extension, the cost per day is \$150.
- SSF guarantees puppies and dams will be kept in a clean, safe, and sanitary environment at all times, in their own room.
- SSF personal pets will not come in contact with the litter being whelped.
- SSF is committed to only whelping 2 litters at any time, and that includes our own litters. This guarantees proper attention given to both litters, should there be 2.
- Deworming is included in the whelping cost.
- Sweet Soul Frenchies is not responsible for any loss of puppies.
