Welcome

We're thrilled to have you as our guest! Our family used to vacation around Lake Tahoe, but one summer, on our way home to Chico, our three college-aged kids persuaded us to stop at Donner Lake. We launched our little ski boat and spent a few hours waterskiing on the crystal-clear lake. We instantly fell in love with the area!

Within three weeks, we found this home, purchased it, and haven't looked back. Our dream is to retire here in another few years. In the meantime, we hope to offer it as a carefree, relaxing, and adventurous getaway.

We've tried to anticipate your every need, even providing toothbrushes in case you forget yours. This booklet should give you a good overview of your stay and the local area. Please don't hesitate to call if you need anything.

Again, thx for being here. We hope you love it!
