

QUICK INDEX

TO OUR VALUED CUSTOMERS

As an independent Canadian Office Furniture Dealer, we are proud to introduce our brand new 2019 Office Furniture catalogue. This simple and easy to use catalogue contains a vast selection of quality office furniture as well as a wide assortment of related accessories to fulfill your requirements.

Our courteous and knowledgeable staff is available to serve you with competitive pricing and prompt reliable service that you can trust. We invite you to call us to discuss the various services that may be available: **Contract Pricing - Volume Discounts - Charge Accounts - Fast & Efficient Delivery - Design Layout - Installation and Set-up.**

You will find such well known brands, such as: Global, Double Diamond, Fellowes, FireKing, Gardex, Offices To Go, Quartet, Safco and Sentry are prominently featured, however, should you be unable to find a specific product or brand in this catalogue, it may be available on a "special order" basis. **We have access to thousands of additional items and invite your inquiries.**

Not all products in this catalogue may be in stock at all times. However, these items can be "special ordered" from our suppliers and may be subject to a longer delivery time. Some products, furniture fabrics, finishes and colours, may not be exactly as shown. Some items shown in the pictures are props and may not be included. For products discontinued during the life of this catalogue, we will be pleased to suggest alternatives to you at the time of your order.

Prices shown in this catalogue are suggested retail prices only and are designed to serve as a guide when choosing products. Actual selling prices may be lower, based on volume discounts and promotional programs. Some items are marked as net prices.

While every effort has been made to ensure accuracy of this catalogue at the time of printing, prices, descriptions, colours, sizes and specifications, etc., are subject to change without notice. Please call to obtain the most current information. PST (Provincial Sales Tax) and GST (Goods & Services Tax) or HST (Harmonized Sales Tax) will be charged, as applicable. Delivery and freight surcharges may apply.

The products selected for this catalogue are designed for use in a commercial office environment. When certain products are used for this purpose and require repairs, they may be covered by manufacturers' warranties. We will be pleased to answer your questions regarding warranties or repairs.

COMPATICO A02

MODULAR FURNITURE AND PANEL SYSTEMS

AO² OFFERS FLEXIBLE DESIGN OPTIONS

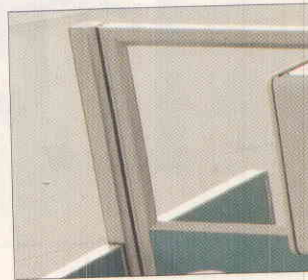

Compatibility is with Herman Miller™ AO1™, AO2™. Parts specifically integrate with existing OEM systems.

All Compatico power is from Byrne Electric (Rockford, Michigan), a leading supplier to major OEM manufacturers.

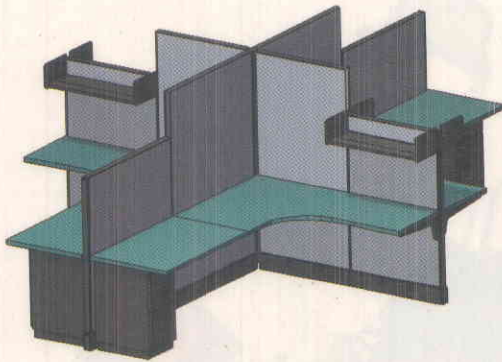

- Compatico AO1 and AO2's straightforward design and durable construction make them one of the best values on the market today.
- They are UL listed and backed by a lifetime limited warranty like OEM systems, yet they are lower priced.

AO1 and AO2 panels come in 7 standard and 3 optional paint finishes that match or are compatible with Herman Miller® colors. They can be ordered with a laminate surface, fabric covered hard surface, tackable or acoustical, open or glazed frames, and door panels with or without side lights. Acrylic choices include frosted, clear, and smoked, in full, partial or half glazed panels.

COMPATICO CV MODULAR FURNITURE AND PANEL SYSTEMS

CV IS VALUE ENGINEERED TO PROVIDE THE MAXIMUM VALUE AT THE LOWEST POSSIBLE PRICE.

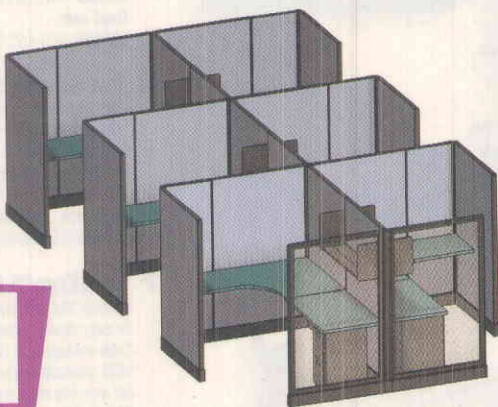

Compatico's CV™ incorporates the Steelcase® Avenir® system as the basis for its construction and design. CV is value engineered to provide the highest quality product at the lowest possible price. This design offers contemporary styling with the most popular colors and fabrics. CV is Compatico's most efficient office furniture systems solution.

- Easy installation and worldwide installation recognition
- Offers full range of connections with single 35 to 180 degree universal connector
- Drop-down connectors are not height specific and easily reconfigurable
- Panel ends are full finished and require no special drop down fillers
- Work surfaces are flush to panels (front to back and side to side)
- Flush base for to-the-wall flush fit

Standard OEM, industry recognized steel "pork chop" assembly for ease of installation and 35° to 180° panel angle range. Compatico panel blanks are made using the same wood, sandwich construction as used in conference tables with zero emissions. Flush raceways provide attractive and contemporary design.
