England Park Greenhouse Center Westminster, CO

The [City of Westminster](#) is a Plant Select Propagation Member growing Plant Select plants to display in gardens throughout the City of Westminster. Their new greenhouse space at England Park Greenhouse Center opened in September! Learn what the City of Westminster is up to in this short video with Greenhouse Crew Leader, Chris Borchers!

The Days Are Just Packed!

The event calendar for 2020 is bursting at the seams! Visit our booth at ProGreen February 5-7! Save the date for BRING ON THE HEAT on June 6 at a Colorado Front Range garden center near you! Plan to attend our Annual Meeting on June 9 at Denver Botanic Gardens! We will also be in Fort Collins for the High Plains Landscape Workshop; Pueblo, CO, for the Western Landscape Symposium; and at Durango Botanic Gardens in May, to name a few! Follow us on [Instagram](#) and [Facebook](#) and check out our [Event Calendar](#) on our website! We look forward to seeing you in 2020 at an upcoming event or at a Plant Select Demonstration Garden near you!

2020 Plant Select Talks at ProGreen:

On the Cutting Edge with Plant Select Plants – Ross Shrigley and Mike Bone
Striking Color and Prolific Blooms
Hold Steadfast in the Plant Select Garden – Kelly Grummons, Mike Kintgen, and Ross Shrigley

Thank You!

Plant Select T-shirts are a fun way to spread the word about our great plants and to grow awareness of the Plant Select program! T-shirts also help us raise funds! \$1300 was raised to help support our non-profit through the October Blonde Ambition T-shirt campaign! Thank you to all who purchased a T-shirt! We appreciate you, and we hope you love your shirt! Send us your feedback and ideas for future T-shirt campaigns!

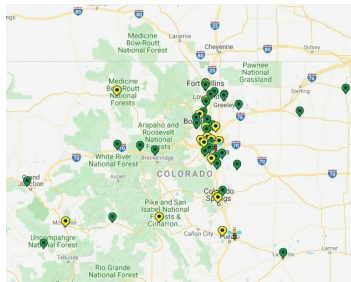

Your T-Shirt Ideas!

Plant Select's goal is to create smart plant choices for a new American Landscape inspired by the Rocky Mountain Region.
