Early Summer Perennials with Sonya Anderson

Sonya Anderson is the Curator of the Plant Select® Garden at Denver Botanic Gardens and contributed to the Plant Select® book Pretty Tough Plants, 135 Resilient, Water-Smart Choices for a Beautiful Garden.

Bloom times at your fingertips!

Denver Botanic Garden's Ann Frazier compiled a Plant Select Phenology that designers, horticulturists and garden enthusiasts can use to track and plan bloom time in the garden.

Ann Frazier's PS Phenology

Plant Select’s goal is to create smart plant choices for a new American Landscape inspired by the Rocky Mountain Region.
