New! The 2021 Plant Select Brochure!

The 2021 plants have been years in the making with travels to the Maloti mountain range of southern Africa, a beauty that caught David Salman's eye in his Santa Fe trial garden, and a memorable snapdragon sport! The plants are being grown and are destined for Plant Select member garden centers this spring! Find a garden center near you at plantselect.org/where-to-buy/retailers/
