2019 CSU Studies on Plant Select Plants

Watch this video to hear **Dr. Klett, CSU Professor in the Department of Horticulture & Landscape Architecture**, CSU Ph.D. Student Sean Markovic, & Graduate Student Lauryn Schriener, introduce some of the 2019 Plant Select Studies they have been conducting. Researchers not captured in this video but who also study Plant Select plants at CSU are Ronda Koski and Rebekah Savage.

Plant Select– 2019 JSR Award Winner!

Plant Select was honored to receive the Jane Silverstein Ries Foundation Award at the **American Society of Landscape Architects (ASLA) Colorado Awards Event** on October 24th at Bigsby's Folly in Denver! The JSR Award recognizes a person, group, or organization demonstrating a pioneering sense of awareness and stewardship of land-use values in the Rocky Mountain Region. Thanks to **Kim Naughtin of AEC Consultant Group**, and **Megan Shiotani, a Landscape Architect with Wenk Associates** and President of the Jane Silverstein Ries Foundation Board of Directors for presenting the award to Plant Select!

Jane Silverstein Ries was the 3rd Licensed Landscape Architect in Colorado and a pioneer in the profession. "Jane was ahead of her time with her philosophy of incorporating native plants and materials into her designs and built her projects to reflect, preserve, and restore the natural environment. She was a strong voice in issues of land use and fought to conserve prairie, mountain landscapes, wildlife, and

Plant Select Member Feature– Perennial Favorites, Layton, UT

Ross Shrigley, Director of Plant Select, popped in on Wholesale Licensed Plant Select Grower, **Perennial Favorites**, and found an exceptionally well run, clean, and organized business! The folks at Perennial Favorites are a great team who are also innovative, creating and adapting new and old production methods and tools to maximize efficiency.

Perennial Favorites grows over 45 Plant Select plants including hard to find perennials, ornamental grasses, and a few woodies like *Buddleja alternifolia* 'Argentea' (Silver Fountain Butterfly Bush), *Cercocarpus intricatus* (Littleleaf Mountain Mahogany) *Chamaebatiaria millefolium* (Fernbush), *Chrysothamnus* (*Ericameria*) *nauseosus* var. *nauseosus* (Baby Blue rabbitbrush), and more! If you're looking for high quality finished plants, Perennial Favorites is a fantastic resource! [Check out their current availability listing at perennialfavoritesnursery.com!](http://perennialfavoritesnursery.com)

Snapshots of Perennial Favorites!

Plant Select's goal is to create smart plant choices for a new American Landscape inspired by the Rocky Mountain Region.

Thermopsis lupinoides

Amorpha nana
