# #FLORIDASTRONG

We hope our residents are safe from Hurricane Ian's destruction. Some were lucky to have minor damages but unfortunately, so many more have lost everything. Some of these photos are just from 30min North! Our fellow Floridians need our help in any way you can assist. If you can donate water, clothes, diapers, formula, bug spray, and blankets are just some items that are needed. Please call or text Krystina at 407.620.9787 or Tony at 941.812.7983.
