

2023 Sponsorship Opportunity

Operation Reel Heroes Long Island is proud to partner with the Wounded Warrior Project for a day of fishing, fun and friendship for America's well deserving Veterans.

In the wake of the success of our inaugural event in 2019, we committed to providing an incredible weekend for years to come. We have enjoyed multiple successful events over the past 4 years and are proud to continue building camaraderie and lifelong relationships through fishing.

For 2023, we have expanded our fleet of volunteer captains and crew to over 28 vessels taking out 34 Wounded Warriors each with a guest of their choice.

We have been overwhelmed by the requests to be involved in the event and are committed to providing the highest quality event we can. Our event is run by a fully volunteer crew, our vessels are all local fishermen donating the use of their boat and we fund the event costs through the proceeds of our silent auction, raffle and monetary donations.

Sponsorship and Donation Opportunities:

- Additions to our Silent Auction or Raffle
- Additions to our "Captain/Veteran Bags" (our version of a swag bag!)
- Monetary donations

Anyone interested in being a part of this event is encouraged to contact our coordinator Patrick Goldsmith. Patrick can be reached at pgoldsmith@operationreelheroes.com or (631) 873-8407
