

Pop says Happy Feet = a Happy Person...

Hi Folks,

It's Fall, officially. Time flies when you're fixing shoes, or having fun!

I hope you're all ready for Halloween; if you're not, keep in mind, you probably already have a mask - or it might even be scarier to some to not wear a mask on Halloween, who knows these days.

Also, have you ever been to Institution Ale Company? I went a week or two ago and it was fantastic. Camarillo's own high quality brewery in our own backyard. I had a carne asada pizza, and a couple of their craft beers, notably their 8th Anniversary IPA. Very family friendly and great food.

Our newest satellite location in Thousand Oaks just opened up so, if you're in the area, feel free to stop by and check it out.

Fall is when the 'Fancies' begin to be taken out of the closet as you may well know. So let's look at those shoes and boots. It's time to take care of those precious feet. Make your feet healthy and comfortable. Maybe we'll get some rain. See you next month,

Walt *Pops*
