New Streaming App

The Camarillo Public Library's digital collection is getting a big boost with the launch of a new streaming app. Hoopla Digital is a groundbreaking media service where patrons can borrow movies, music, audiobooks, eBooks, comics, and TV shows to enjoy on a computer, tablet, phone, or Amazon Alexa. No more waiting in line – up to 5 titles per month can be streamed immediately or downloaded for offline viewing. Hoopla features thousands of titles, with more being added daily. With their library card, patrons can begin using Hoopla today by installing the app or going to <http://www.hoopladigital.com> or call the library for more information at (805) 388-5222.

Library Chat

In this global crisis, the Library is a virtual platform connecting Camarillo residents to the resources they need. Librarians are ready to assist patrons with reference inquiries using a new online chat service. From 10am to 6pm, Monday through Friday, library chat can be accessed through a new icon located in the bottom right corner of the Library website, or directly at <https://camarillolibrary.libanswers.com>. Additionally, patrons may contact the Library by any of the following:

- Phone - (805) 388-5222
- Email - askus@camarillolibrary.org
- Facebook

The Library continues to offer digital services 24 hours a day, 7 days a week, through our Digital Resources Page.
