1.6 Nonrecreational Players (club, select): A player is registered as a nonrecreational player and rostered to a nonrecreational team from the moment the player or the player's agent signs the USYSA registration form and pays a portion of the fee to that team, subject to all appropriate BSYSA, NTSSA and USYSA rules.

1.7 Playing for Teams: No youth may play in any league game without having completed the registration process outlined for the class of team on which he/she is playing. The registration process is not completed until all the necessary registration forms and fees have been turned in to the Registrar of the BSYSA and the player has been placed on team's roster.

1.8 Nonrecreational Team Paperwork: All paperwork and fees for nonrecreational teams must be submitted to the Registrar of the BSYSA on or before September 1 of the same soccer year. Add/Delete forms, complete with all necessary supporting documentation and all fees, must be submitted to the Registrar no later than one week prior to any soccer activity which will involve or exclude the players listed on the form.

1.9 Playing Outside of BSYSA: Any team composed of players residing in BSYSA's jurisdiction which desires to participate in a League conducted by another USYSA sanctioned association will register with and pay their fees to the BSYSA. Such a team will then apply to the Board of Directors for a release to play in such a League.

ARTICLE 2 RECREATIONAL PLAYER ASSIGNMENT

2.1 New Players: Is a youth player that has not ever played for BSYSA.

2.2 Returning Players: Those players that were registered with the BSYSA for the previous season, will automatically be placed on the team for which they played the previous season if the team still exists and if the returning player registered by the normal registration deadline.

2.3 Former and Past BSYSA Players: Players that did not play the immediate previous season for BSYSA will be assigned to teams using new player assignment policy.

2.4 Established Team: Coaches and players, constituted as a team in the previous season, may remain as a unit provided they meet the league eligibility and age requirements.

Any request to be considered by the BSYSA must be submitted in person to the Board of Directors at a regularly scheduled meeting or at registration for that season. Requests can only be approved by a majority vote of the Board of Directors. The Board of Directors shall define extreme circumstances on a case-by-case basis.

2.6 Recruiting: Prospective players may be invited to register with BSYSA by a coach, player or parent if the prospective player has not played soccer for BSYSA previously. BSYSA prohibits a coach, player or parent from any form of recruiting, invitation to play, or inducement to returning or former players from another team. See Article 7 for illegal recruiting.

2.7 Changing Teams: A returning player may ask to be placed on a different team, and enter the draft.

2.8 Players Playing Up: Parental and/or player request that a player be allowed to PLAY UP in a League for players older than the player may be made on the BSYSA registration form each soccer year. The BSYSA Board will consider the request and decide if allowing the player to PLAY UP is in the player's best interest. If such a request is allowed, the player will be placed on a team according to player assignment policy. When considering a request for a player to PLAY UP with an older sibling (brother or sister), the BSYSA Board will consult with the older sibling's team coach. If such a player is allowed to play up, that player will be assigned to the same team as the older sibling.

2.9 Grandfather Clause: Players who have been approved to PLAY UP by the BSYSA Board and have completed a full season playing up do not need to continue to write a letter each season or year requesting to PLAY UP.

2.10 Teams Playing Up: No teams U6 and younger will be allowed to PLAY UP. A team U8 and older formed or continued in accordance with these team formation rules in a League may request to PLAY UP in the next older League. The coach of record will submit a request for the team to PLAY UP to the President or Vice President of the League in which the team desires to play. That request must include some form of documentation that a majority of the players' families support such a request. The BSYSA Board will decide if it is in the best interest of the team, the legal League of that team, the proposed League, and the Association for the team to PLAY UP. If a decision is made to allow the team to PLAY UP, individual players (or their parents) may request that they be removed from that team.

2.11 Assignment of Players: The registrar will assign players according to the assignment policy and submit for review and approval to the BSYSA Board. The BSYSA Board will have the authority to overrule the registrar if such action is consistent with BSYSA player assignment criteria.

2.12 Official Team Member: A player becomes an official team member after payment of the required registration fee, the acceptance of their registration form by the registrar, and approval by the BSYSA Board.

3.3 Injured Players: Any injured player that wishes to keep his/her roster spot will be required to pay the full amount of the BSYSA registration fee, complete an BSYSA registration form, and turn it into the BSYSA office before the end of normal registration. This special situation must also be supported by documentation from the player's attending physician. The documentation must include a detailed explanation of the injury which prohibits the player from participating in soccer activities, reason why this injury prohibits the player from participating in soccer activities and an estimated date of complete recovery. This documentation must be submitted no later than the deadline of normal registration.

4.3 Playing With Unregistered Players: Only registered players will be permitted to play in competitions under the auspices of this Association. A team which uses unregistered players will automatically forfeit all games in which said players have participated. A violation of this rule will result in the offending Coach, Assistant Coach/Administrator being suspended for a minimum of one year from all soccer related activities.

ARTICLE 5 CLINICS, CAMPS, PRIVATE LESSONS, ETC.

5.1 BSYSA registered players may attend soccer camps (clinics), private lessons, etc. hosted and/or coached by individuals, teams, clubs and/or organizations other than the player's current coach, team and/or organization as long as the soccer camps meet the following criteria:

5.1.1 The clinic, camp, etc. must be available to all interested persons for each age group offered through an open invitation.

5.1.3.5 Name of player's current team and home association

5.1.3.6 The following disclaimer:

The recruiting of players for the benefit of any individual, team, club and/or organization is strictly prohibited. Any person having knowledge of any player recruitment at or through this soccer clinic, camp, private lesson, etc. should report same, in writing, to the BSYSA and to the Youth Commissioner of NTSSA. The NTSSA Youth Commissioner will deal with the alleged violations in accordance with NTSSA rules and regulations. Recruiting is any action or statement, made by anyone, either verbally or in writing, which encourages or entices a player to register with a particular coach, team, club, and/or organization.

5.1.4 The host of the clinic, camp, etc. must keep all registration forms for one (1) year from the date of the camp, clinic, etc. so that they will be able to produce on demand from BSYSA and/or NTSSA a copy of the registration form to verify compliance with this rule in the event charges of rule violations are alleged against the hosting individual, team, club and/or organization as stated above.

5.1.5 This rule does not apply to any clinic, camp, etc. sponsored by the BSYSA for the Association players where the registration publicity is conducted by BSYSA. Any publicity must indicate that this camp, clinic, etc. is sponsored by the Association.

5.2 Private Lessons: Between September 1 and May 31 of the soccer year, players requesting private lessons from any person must obtain a written statement from their current coach stating their knowledge of the private lessons (complete an NTSSA release form). The person giving the private lessons must retain the acknowledgment slip and be able to present same when requested by BSYSA or NTSSA.

5.3 A player who has attended a camp, clinic, etc. hosted (coached, managed, administered, etc.) by one coach (or one team's coaches/parents) may not be placed on the roster of the host coach or on the roster of any recreational team coached, managed, or administered by any individual who hosted the camp until the soccer year during which the player attended the camp has ended and one more soccer year has passed unless the BSYSA approves the player's addition to the recreational team roster. Exception is players that were rostered with the host coach the immediately preceding BSYSA season.

5.4 Failure to comply with these rules may result in the offending coach, assistant coach, manager/trainer, and/or team representative being suspended from any and all soccer activities for a period of not less than one (1) year.

5.5 BSYSA Sanctioned Soccer Academies: BSYSA will support the NTSSA Academy program according to the following rules.

5.5.1 A "Soccer Academy" is a group of Under 9 through Under 10 registered BSYSA recreational players who desire to participate with other players without following the recreational team formation rules. Players must register with their home association (BSYSA) and must be on a recreational team. Academies are to be governed by NTSSA Youth Associations, and NTSSA Youth Associations may host as many Soccer Academies as they deem desirable. Academy teams are governed by the league in which they participate. (If more than one association is involved in an academy league an A&D committee should be in place.)

5.5.2 Coaches, trainers, administrators, etc., of Soccer Academies must have satisfactorily passed the criminal background check and information sent to NTSSA.

5.5.3 Soccer Academy play is in addition to recreational play. Players may join any Soccer Academy of their choosing within their age group, and are not required to obtain a release from their NTSSA recreational team to participate on an Academy team. Players must present a form of proof of registration signed by their home association registrar each time they participate with an Academy. Players may join as many Soccer Academies as they like as long as the Soccer Academy is recognized by a North Texas Soccer Member Youth Association. No formal contract or written commitment may be signed by or on behalf of the player to commit a player to an Academy team. The Academies may charge a fee to cover expenses in addition to the player's recreational soccer registration fees. Academy players are limited to one (1) practice per week. Academy players may only play in one (1) Academy game per week, except tournaments. Academy players may participate in only one Academy tournament at a time. Violations of this rule shall result in sanctions against the offending party (coach, assistant coach, manager, parent, or other team representative), which could include suspension from all soccer activities for

a period of time.

5.5.4 Member Associations may provide league play if they have enough teams, or may coordinate with other Member Associations to provide a league or games between Soccer Academy teams from different home associations. Age division play will be designated as Under 9 or Under 10. Scores and standings will not be kept.

5.5.5 Soccer Academy teams are not considered “registered recreational teams,” and therefore do not have to follow recreational team formation rules. Soccer Academy teams may not enter NTSSA sanctioned tournaments unless the tournament has specified a “Soccer Academy” bracket. In that event, players must declare which Soccer Academy team they will play with in the tournament and may only play for one team in a tournament. Soccer Academy teams may not travel out of NTSSA as a team to play in tournaments.

5.5.6 Soccer Academy rosters may change from week to week to accommodate players desiring to change Soccer Academies, or to accommodate players who want to play on one team one week and another team the next week.

5.5.7 The purposes of the Soccer Academies are to:

5.5.7.1 Provide recreational players who have aspirations of becoming a more accomplished player an avenue to test and enhance his or her skills.

5.5.7.2 Provide recreational players an opportunity to train with more experienced coaches.

5.5.7.3 Provide recreational players an opportunity to investigate the level of play with which they are comfortable, which players they would like to play with, and for which coaches they would like to train.

5.5.8 Recruiting is not allowed on Soccer Academy teams. Soccer Academies are to be used for training and for the further development of recreational players, not recruiting.

5.5.9 For the purpose of this rule, all players participating in a Soccer Academy who are also registered with a BSYSA recreational team, in the event of a conflict, consider the BSYSA recreational team to be their primary team and the Soccer Academy team as a secondary commitment.

ARTICLE 6 ILLEGAL RECRUITING

6.1 Illegal recruiting occurs when any coach or assistant coach who is associated in any way with any USYSA affiliated youth team discusses, or attempts to discuss, the chances, probabilities, possibilities, or benefits of a player whose name appears on the official roster of another BSYSA team becoming a member of that individual's associated team.

6.2 No coach or assistant coach may offer any kind of inducement to recruit a player to play on his/her respective team. Coaches are responsible for the actions of all of the above listed participants on their team. Forms of inducement include, but are not limited to:

6.2.1 Free Tshirts, free uniforms, college scholarships, free or discounted travel costs and/or negative statements which could affect the decision of a player regarding his choice of team.

6.2.2 This rule applies to verbal discussions, letters, and brochures as well as radio and television advertisements. Failure to comply with this rule will result in the offending party being suspended from all soccer activities for a period of not less than one (1) year, except allegations against

registered youth players are subject to review before punishments are considered.

6.3 Any allegation of illegal recruiting must be made in writing and submitted to the BSYSA Board. The BSYSA appointed A&D Committee will investigate the allegations and decide whether illegal recruiting has occurred. The BSYSA intends to deal severely with any individual found to be guilty of illegal recruiting. The BSYSA also intends to deal severely with any person who attempts to interfere with the A&D Committee's investigation of allegations of illegal recruiting.

6.4 Any decision made by the A&D Committee and any sanctions imposed by the A&D Committee may be appealed by any concerned party to the BSYSA Board.

ARTICLE 7 RULES OF THE GAME

8.1.1 Three activities of 1 hour duration each week for Under6 (U4/U6).

8.1.2 Three activities of 1 1/2 hour duration each week for Under10 (U8/U10) teams.

8.1.3 Four activities of 1 1/2 hour duration each week for Under12 thru Under 14 Leagues.

8.1.4 These activities will usually be two/three practices and one game per week. Double header games (two games in one day) will count as one activity.

8.2 Each team's coaches and players should shake hands with the other team after each game.

8.3 Parent/coaches will limit comments to players during game time to positive comments.

8.4 No alcoholic beverages will be consumed or allowed near the playing area.

8.5 The HOME team (the team listed first on the official schedule) and the VISITING team will occupy the same touchline. The HOME team will sit on the north side of the field.

8.6 Starting Season Practice: Recreational teams may practice with players after they have been registered and assigned to the team (returning players are automatically assigned to a team so may practice after being registered). The RECREATIONAL team may hold regularly scheduled practices each week until the team has played its last game for that season, including all tournaments in which the team participates.

8.7 Forfeits A team will forfeit any game in which:

8.7.1 A team fields an ineligible player or a player under suspension.

8.7.2 A team has a suspended coach appearing at a game to coach.

8.7.3 A team fails to field a team with required minimum number of players within ten (10) minutes of the scheduled starting time according to the Referee's watch. If neither team can field the minimum number of players, the game will be recorded as a loss for each team. In the event of a team forfeiture BSYSA may require the following: first offense of a soccer year a loss will be recorded, and letter of reprimand will be placed in the coach's file; second offense of soccer year a loss recorded, and coach will be suspended from all team activities through the next game; third offense during soccer year offense loss recorded, and coach suspended for remainder of season and until reinstated by BSYSA A&D Committee.

8.7.4 A team violates the minimum playing time requirements for any player on the team.

8.7.5 A coach who removes his team from the field during a game for any reason will receive a red card and his team will forfeit that game, without possibility of appeal. The BSYSA Board, at its discretion, may request the A&D Committee to conduct a hearing which could result in additional penalties for the coach.

8.8 When a game is forfeited, the score will be recorded as 6-0. Since any forfeiture may affect the final standings of that league, the appropriate age division's Board Member will make a complete inquiry concerning the forfeit.

8.9 Division Standings: Standings will be kept for U8 and above only.

It is the goal of BSYSA to schedule teams in a division to play each other at least twice, where possible. Points to determine division standings will be assigned as follows:

Win = 3 points
Loss = 0 points

BSYSA will not record draws in U8 and above. Penalty kicks will decide the winner of the match. The Teams that wins the penalty kicks will be awarded one additional goal. The following procedure will be used:

The referee chooses the goal at which the kicks will be taken.

The referee decides which team is to take the first or the second kick, based on the order established at the coin toss prior to the beginning of the game.

The referee keeps a record of the kicks being taken.

Subject to the conditions explained below, both teams take five kicks.

The kicks are taken alternately by the teams.

If, before both teams have taken five kicks, one has scored more goals than the other could score, even if it were to complete its five kicks, no more kicks are taken.

If, after both teams have taken five kicks, both have scored the same number of goals, or have not scored any goals, kicks continue to be taken in the same order until one team has scored a goal more than the other from the same number of kicks.

A goalkeeper who is injured while kicks are being taken from the penalty mark and is unable to continue as goalkeeper may be replaced by a named substitute.

Each kick is taken by a different player and all eligible players must take a kick before any player can take a second kick.

Only the eligible players and match officials are permitted to remain on the field of play when kicks from the penalty mark are being taken, (Exception for U8: One coach from each team is allowed to stand beside the goal, they can assist the referee when asked, they may not address the opposing Goal Keeper).

All players, except the player taking the kick and the two goalkeepers, must remain within the center circle.

The goalkeeper who is the team-mate of the kicker must remain on the field of play, outside the penalty area in which the kicks are being taken, on the goal line where it meets the penalty area boundary line

8.10 Tie Breakers: The NTSSA tournament tie breaker method will be used to determine the 1st, 2nd, and 3rd place teams. The Tie Breaker method is as follows:

8.10.1 Head to Head game results for any and all games played that season winner will advance.

8.10.2 Most number of "shutouts" in that season team with most shutouts"

Will advance. **NOTE:** Shutout is defined as holding the opposing team to zero (0) goals.

8.10.3 Goal differential: The team with highest goal differential against common opponents will advance (maximum of five (5) goal differential per game).

8.10.4 Fewest goals allowed: The team with fewest goals allowed against common opponents will advance.

8.10.5 Fewest accumulation of caution points: 1 point for yellow and 2 points for red. Fewest accumulation of caution points will advance.

8.10.6 Penalty Kicks: winner will advance.

8.12 Trophies or Medals: All recreational players will receive participation trophies or medals. For U8 and older age groups, individual trophies or medals may be presented to the members of the 1st, 2nd and 3rd place teams in each division

EQUIPMENT

8.13 Every player must wear shin guards. No player may play or practice without shin guards.

8.14 A player may not wear anything that may endanger themselves or another player. This includes necklaces, hair bows, bracelets, watches, earrings, and shoes with metal cleats. Shin guards are also dangerous when not covered by the socks.

8.15 In cold weather, players may wear sweat shirts and pants, but the uniform shirt must be worn over the sweat shirt.

8.16 Players are allowed to wear sliding shorts under their shorts, but they must be the same color as the uniform shorts. Each player must wear the same color.

8.17 The referee shall be empowered to bar any player from the field who violates or otherwise disregards items listed above or in any way may be a danger to the other players on the field.

8.18 Coaches and players must provide their own soccer balls for games.

8.19 Uniforms: BSYSA will provide Uniforms for all age divisions.

8.20 Practice Location: BSYSA teams practicing at public parks should notify the BSYSA and receive permission prior to practicing at any public park area. This policy is in place to limit conflicts with other athletic associations and other soccer teams.

8.21 Game Field Practices: Each team is allowed 1 practice on game fields. These practices must be reserved with the Player agent. No team will practice on any game field of any size other than this 1 practice. Teams violating this policy may be required to forfeit games or be subject to other disciplinary action by BSYSA.

8.22 Team Pictures: Will be taken during the season and must be scheduled with the photographer. Makeup's may be scheduled with the photographer.

8.23 Rescheduling Games: Teams will play games as scheduled. Rescheduling will only be considered for **EXTREME** circumstances, when submitted to the Vice President at least 10 days prior to the regularly scheduled game, and if approved by the Vice President. Submitted requests can be in writing, via email, or by telephone.

ARTICLE 9 FOUL WEATHER PROCEDURES

9.1 Decision to Cancel Game: Unless otherwise notified by the appropriate BSYSA board member, all teams must report to the playing field for their assigned games. Any team failing to have the minimum number of players available will forfeit the game. A Board Member on duty for the day, or in a board member's absence, the Referee will be the sole judge of whether the game may begin.

9.2 If a game is suspended because of field or weather conditions before the second half of play has begun, that game will be replayed in its entirety. If the second half of play has begun, that game will be considered a full, complete game. The BSYSA Vice President will make all reasonable efforts to

reschedule games not played due to field or weather conditions if play days and referees are available. In the event a team refuses to play because of questionable field or weather conditions, the coach will protest the situation to the Referee. The Referee's decision may be appealed to the appropriate Board Member on duty, then to the Board of Directors.

ARTICLE 10 GAME PROTESTS

10.1 All protests of game matters will be submitted in writing to the BSYSA Board within 48 hours of the game, accompanied by a protest deposit of \$50.00. If the protest is upheld, the deposit will be refunded. If the protest is denied, the deposit will be forfeited to the BSYSA.

10.2 The BSYSA Board will review the protest with the protestor to determine the situation and validity. A game may only be protested if:

10.2.1 A team knowingly playing an unregistered, ineligible, or suspended player; or,

10.2.2 A team's suspended coach is present and coaches the team; or,

10.2.3 There is a violation of the 50% minimum playing requirements for any player; or,

10.2.4 There has been an obvious error made in the application of the Laws of the Game that directly affects the outcome of the match, and the referee admits it.

10.2.5 No protests can even be entertained if they are based on judgment decisions made by the Referee during play.

10.3 If the protest is judged valid for hearing, the BSYSA Board will accept the protest and the deposit and forward them to the Chairman of the A&D Committee within 24 hours of receiving them.

10.4 The A&D Committee will receive a protest through its Chairman and will meet to consider the protest within 5 days of its receipt. All notified parties, coaches, players, and Referees will be notified of the protest hearing and will be requested to be present. Failure to attend after being requested to do so may cause default of the protest or require other action to be taken.

10.5 The A&D Committee will not assume that a game result protest should be upheld strictly on the basis of a protest being valid because a the Laws of the Game has been broken or for any other valid reason. Game protests and the entire circumstances surrounding the game, including the determination that said outcome of the game was or was not affected by the protestable events of the game, will be considered.

10.6 Decisions of the A&D Committee may be appealed to the BSYSA Board of Directors.

10.7 There will be no protests of games played in the Under 6 Leagues and younger. If a team violates minimum playing time requirements for any player, the matter will be handled as a complaint against the coach.

ARTICLE 11 DISCIPLINE, PROTESTS, GRIEVANCES AND APPEALS

11.1 The A&D Committee of the BSYSA is the judicial branch of the BSYSA. Appeals about actions and/or decisions of BSYSA officers, coaches, and referees will be filed with the Chairman of the Appeals and Discipline Committee unless an alternate review process is specified in some part of the By Laws or the Rules & Regulations of the BSYSA. Protests and grievances will also be filed with the Chairman. The referees of BSYSA sanctioned games will file a NTSSA Referee's Report of Misconduct with the Chairman for ALL incidents in which the referee issues a CAUTION, SEND OFF, or suspends a game or

alleges misconduct by any person (this includes cases of alleged referee abuse the referee must file a copy of the Report with the Chairman even though the incident will be adjudicated by the NTSSA).

11.2 All comments in this chapter regarding the actions of the NTSSA, its officers, and its committees are explanatory in nature and do not bind the NTSSA in any way. The actions of the NTSSA, its officers and committees are governed by the NTSSA Administrative Handbook. The explanations included herein are intended to inform the members of the BSYSA of their rights and obligations due to the BSYSA's membership in the NTSSA. In case of conflicts between this chapter and the NTSSA Administrative Handbook, the NTSSA Handbook will be the definitive document.

11.3 Authority: All members and participants in youth soccer within the jurisdiction of the BSYSA have requested to participate in BSYSA's soccer leagues. Therefore, these participants have agreed to abide by the By Laws and Rules & Regulations of the BSYSA, as well as those of the NTSSA and of the United States Soccer Federation, including its United States Youth Soccer division. The BSYSA ByLaws provide that it has jurisdiction over all players, coaches, team managers, administrators, referees, and teams who choose to affiliate with BSYSA.

11.4 Hearings: The A&D Committee of the BSYSA will hold hearings WITH THE PARTIES HAVING THE RIGHT TO BE PRESENT on every player/coach/assistant coach cautioned or ejected and on referee's reports of serious misconduct by spectators and/or parents. These hearings will, unless absolutely impossible to schedule, be held and decisions communicated to the involved parties and league officials before the individual involved is scheduled to play another game sanctioned by the BSYSA. The use of tape recorders (audio or video), court reporters, and the presence of attorneys (in their professional capacity) at hearings conducted by either the A&D Committee or by the Board of Directors acting as an appellate body is not allowed.

11.5 Misconduct of Players/Coaches/Assistant Coaches: If the Chairman of the BSYSA A&D Committee or the BSYSA Board of Directors receives three (3) written complaints against any coach, or one (1) written complaint against any coach by the appropriate age group Board Member, the coach will be summoned before the A&D Committee or the BSYSA Board Directors for judgment on the ability to continue coaching youth soccer. These complaints must be made on separate occasions (games, practices, etc.) during the season and may include written complaints from other coaches or from the parents of players on the coach's team which are received by the Vice Commissioner and misconduct reports by the Referees.

11.12 Send Offs: Whenever an individual is sent off from a game, that individual must leave the area where the game is being played. If that individual is a player, his team must finish the game with one fewer players than it had on the field before he was sent off; and that individual is automatically suspended as outlined below from the next game(s) in which his/her team is scheduled to participate. These sanctions are applied automatically whenever an individual is sent off and will be enforced even without any hearing being held by the A&D Committee. These sanctions cannot be waived by any appellate body unless the referee who sent off the individual has misapplied the Laws of the Game.

11.13 The first time a given individual is sent off from a game during a soccer year, he/she will be suspended from the next game in which his team is scheduled to participate, unless the individual was sent off for fighting in which case he will be suspended from the next two games in which his team is scheduled to participate.

11.14 The second time a given individual is sent off from a game during a soccer year will be suspended from the next two games in which his team is scheduled to participate.

11.15 The second time a given individual is sent off from a game for fighting during a soccer year OR the third time a given individual is sent off from a game during a soccer year, he/she will be suspended from all soccer activities pending a hearing by the A&D Committee.

11.16 These are minimum disciplinary punishments to be taken by the A&D Committee. Nothing herein prevents the Committee, or the Board of Directors as an appellate body, from enacting more severe sanctions. Each case should be judged on its own set of circumstances and degree of misconduct or violence, the latter of which must be dealt with swiftly and severely.

11.17 When to Serve Suspension: An automatic game suspension for accumulated points and/or a SEND OFF is to be served by the player, coach, or assistant coach at the next scheduled game (regular league game, makeup league game, playoff game, championship game, cup game, or tournament game) that the team of the player, coach, or assistant coach is involved in. The lack of a hearing on the suspension of the offender shall not nullify his or her suspension.

11.19 Misconduct by Coach: Any misconduct by a coach justifying a report by a referee or any other person shall be directed to the BSYSA A&D Committee. The BSYSA A&D Committee shall promptly (within 10 days after receipt of the report) rule on the report and send its decision to the State A&D Committee. The State Committee will determine the extent of the punishment, if any, in addition to that taken by the BSYSA.

11.20 The NTSSA Appeals and Disciplinary Committee will make its decision entirely upon the written reports before it; including that of the affected coach should he submit a report. Hearings will not be held by the State Committee unless it, of its own volition, chooses to call one.

11.21 A coach whose conduct is not considered to be exemplary to his players, parents, and spectators will be firmly dealt with by the BSYSA A&D Committee.

11.22 A&D Directive From the BSYSA Board: The BSYSA A&D Committee is directed to extend severe punishment to those players, coaches, and assistant coaches guilty of extreme violent conduct while participating in a match and for violence toward any person or property after being sent off, while on the touchline, or approaching or leaving the game site, or by any other form of communication.

11.23 Misconduct of Spectators: Each team in the BSYSA is responsible for the conduct of its spectators. Therefore, the coach, assistant coach, and team manager are expected to control the spectators. If he/she is unable to do so, the BSYSA will take appropriate actions toward the identifiable, unruly spectator, or, if unidentifiable, towards the team itself.

Possible disciplinary actions for the misconduct of spectators are:

11.23.1 Suspend the spectator(s) from attending future matches.

11.23.2 Report the spectator to the Big Spring Parks and Recreation Department for possible park access restrictions.

11.23.3 Require the team to forfeit any games at which that spectator is present on the touchline and refuses to leave the soccer complex.

11.23.4 Require the offending team to pay for the presence of police at the game.

11.23.5 Revoke and/or refuse registration to the offending team.

11.23.6 Cause the spectator to be placed under a municipal "peace bond".

11.26 The BSYSA will not hesitate to deny teams, coaches, managers, team representatives, or players within its jurisdiction the privilege of further participation in all or selected soccer activities within its jurisdiction for repeated offenses and for serious offenses considered to bring the game into disrepute. A probation period and/or other sanctions may be rendered to teams, coaches, managers, team representatives, or players for violations of BSYSA rules.

11.27 Misconduct Toward Referee: The NTSSA has exclusive jurisdiction over assault or abuse of officials, both referees and assistant referees, in any competition by the State or BSYSA. This jurisdiction includes:

11.27.1 Any and all USSF registered referees (adult and youth).

11.27.2 Any and all nonlicensed person serving in any emergency capacity as a game official.

11.27.3 Any coach, parent, or junior linesman serving as a game official.

11.28 If there is an assault/abuse of any game official by any person, including players, coaches, managers, or spectators, a report of the alleged assault/abuse will be submitted immediately to the NTSSA A&D Committee Chairman. A copy will also be immediately submitted to the Chairman of the BSYSA A&D Committee. This committee, chaired by the NTSSA A&D Committee Chairman, shall review and investigate the report (s) as submitted, and upon proper investigation shall determine the seriousness of the alleged assault/abuse report (s) in a timely manner.

11.29 Should the majority of the members of the NTSSA A&D committee determine there is sufficient evidence to consider the incident a referee assault or referee abuse, a formal hearing will be held within thirty (30) days of the verification of the incident. An intentional act of physical violence upon game officials shall be deemed "referee assault" in the NTSSA under the terms and conditions of the United States Soccer Federation Policy 5319.

11.29.1 If the committee determines there is sufficient evidence to consider the incident as referee abuse, the committee, at its discretion, may suspend the individual involved until the hearing on the alleged assault.

11.29.2 Should the committee determine the action committed to be Misconduct Towards a Referee rather than Referee Assault or Abuse, it shall impose an administrative punishment of a three (3) game suspension. A formal hearing will not be held unless it is requested by the suspended party. Should a formal hearing be requested and held, it shall be a NTSSA Executive Committee hearing.

11.30 State Executive Committee Hearing: Assault hearings shall be conducted by the State Executive Committee in the following manner:

11.30.1 The alleged offending party is requested to be present at such hearings; however, if he/she is not present, the State Executive Committee will act upon the matter with the information before it.

11.30.2 The game officials are required to be present at the hearings. However, if they are not present, the State Executive Committee will act upon the matter with the information before it.

11.30.3 It is intended that the officials' reports be clear and that no explanations are required at the hearings. Only the State Executive Committee will question the officials. If the offending party or any other party or any other person needs explanation, such queries will be addressed through the Chair.

11.31 If any assault is found to have been made on an official, the State is obligated to suspend the person making the assault from all soccer activities for a minimum of one (1) year. Stiffer penalties may be imposed by the State Executive Committee at its discretion. If the State Executive Committee finds the actions to be a case of referee abuse it shall impose not less than a three (3) game suspension.

11.32 Any party adjudged guilty of referee assault shall have the right to appeal, within ten (10) days of

receipt of the decision, to the United States Soccer Federation Appeals Board, following Bylaw 705.

11.33 Referee Abuse: Should the North Texas State Referee Assault/Abuse Subcommittee determine the action to be referee abuse as explained below, it shall impose not less than a three (3) game suspension. A formal hearing will not be held unless it is requested. Should a formal hearing be held, it shall be chaired by the State Youth Commissioner and the procedure shall be the same as that used by the State Executive Committee to hear cases of alleged referee assault.

NOTE Referee abuse is a verbal statement or physical act which implies or threatens physical harm to a referee or the referee's property or equipment. Abuse includes, but is not limited to the following acts committed upon a referee: using foul or abusive language toward a referee; spewing any beverage on a referee's personal property; verbally threatening a referee. Verbal threats are remarks that carry the implied or direct threat of physical harm. Such remarks as "I'll get you after the game" or "You won't get out of here in one piece", shall be deemed referee abuse.

11.34 Misconduct of Referees: When any referee is alleged to have committed misconduct toward any participant or spectator of a match, the NTSSA Executive Committee will hear such allegations and assess punishment of the Referee in regard to his activities.

11.34.1 When any referee is alleged to have committed misconduct toward another referee the State Referee Committee shall hear such allegations and deliver to the State Executive Committee its findings and punishment of the referee in regard to his activities.

11.34.2 When any referee is alleged to have misinterpreted the Law of the Game but does not admit to such misinterpretation, the complainant will submit a letter to the BSYSA Referee Coordinator who will present the matter to the BSYSA Board.

NOTE: If the referee admits to have misinterpreted the Laws, the complaint will be handled as a game protest and will be submitted with the appeal deposit of \$50 to the A&D Committee Chairman.

11.34.3 When any referee is alleged to have carried out his duties in less than a professional manner, the complainant will submit a letter to the BSYSA Referee Coordinator who will present the matter to the BSYSA Board. The BSYSA Board will deliver its findings and punishment of the referee in regard to the alleged breach.

11.35 Appellate Procedures: All complaints, protests, grievances, misconduct reports, and appeals of the decisions or actions of any official of the BSYSA will, unless directed elsewhere in the BSYSA By-Laws and General Rules, be submitted, in writing, to the Chairman of the A&D Committee within forty-eight (48) hours of the matter concerned. The Committee may, at its discretion when requested in writing to do so, waive the time limit for filing matters before it, but in no case will grant an extension of more than ten (10) days. Many matters submitted to the Committee must be accompanied by a cash bond (see the later paragraph about filing fees).

NOTE: A grievance a wrong, real or fancied, considered as grounds for complaint against an unjust act.

11.35.1 The A&D Committee will act on all matters submitted to it within five (5) days after receipt of the complaint or report by the Chairman. All involved parties (referees, linesmen, coaches, players, parents) will be notified of the hearing date and time and are expected to be present. However, if any person is not present, the Committee may proceed with the hearing. The Committee will hear all sides of the incident according to the Committee's established procedures, and then will request that all involved parties leave so that the Committee may deliberate on the matter (no decision will be made by the Committee while the involved parties are present). The

Chairman of the Committee will make the results of the Committee's deliberations known to all involved parties as soon as possible.

11.35.2 The Board of Directors of the BSYSA may bring any matter directly before the Board as a judicial body when the Board feels it is necessary in order to render a decision and to speed the normal process for matters of utmost importance.

11.35.3 All decisions of the A&D Committee, except those which are appealed directly to the NTSSA Appeals and Disciplinary Committee, may be appealed to the Board of Directors of the BSYSA. Those decisions which are appealed directly to the State Appeals and Disciplinary Committee are enumerated in other sections of the General Rules. All decisions by the BSYSA A&D Committee which are appealed to the Board of Directors, and most of those which are appealed to the State, require the posting of a cash bond of \$50.

11.35.4 All decisions of the Board of Directors of the BSYSA may be appealed to the Appeals and Disciplinary Committee of the NTSSA. Such appeals may require the posting of a cash bond.

11.35.5 All decisions of the Appeals and Disciplinary Committee of the NTSSA may be appealed to the State Executive Committee.

11.35.6 All appeals at all levels are subject to a complete rehearing of the initial incident or action. No appeal level will lessen the punishment assessed by a lower level in any case in which the lower level decision is upheld. Higher appeal levels may, at their discretion, increase the punishment assessed by a lower judicial body.

11.35.7 All those persons under the jurisdiction of the BSYSA are reminded that they must exhaust all appellate procedures of the BSYSA before they may appeal to the NTSSA or other governing bodies.

11.35.8 The BSYSA A&D Committee will set the rules of hearings and may restrict the number of witnesses, and the time allotted to each, so long as fair hearings are held. The Committee may also determine whether it wants to allow closed or open hearings.

11.35.9 The BSYSA and its Committees will refuse to hear any appeal when any person is threatening a lawsuit. Such appeals will immediately be passed to the NTSSA. This is a sport to which our local officers and officials are giving freely of their time, and none of them need to take the trouble and expense to appear in court.

11.35.10 The BSYSA and its Committees and the NTSSA and its Committees will refuse to allow the use of recording devices, court reporters, and the presence of attorneys acting in their professional capacity at all hearings.

11.35.11 Should any aggrieved party resort to the courts without exhausting all avenues of appeal including through to the United States Soccer Federation, the BSYSA may, at its discretion, suspend such person or refuse to accept further registration in soccer activities within its jurisdiction.

11.35.12 Any appeal, to any reviewing body in either the BSYSA or the NTSSA, will be:

11.35.12.1 In writing.

11.35.12.2 Made to the appropriate person within five (5) days of receipt of written notice of the lower level authority's decision(s). The appropriate person is the:

11.35.12.2.1 Chairman for the BSYSA
A&D Committee

11.35.12.2.2 President for the BSYSA
Board of Directors

11.35.12.2.3 Chairman for the NTSSA Appeals and Disciplinary
Committee

11.35.12.3 Accompanied by the specified fees in cash or certified check.

11.35.13 Filing fees for appeals will not be waived. Filing fees will be refunded to the appealing party only if the previous decision is overruled. Fees will be:

11.35.13.1 \$50 for all matters at either the BSYSA A&D Committee or Board of Directors.

11.35.13.2 \$100 for all appeals to the NTSSA.

11.36 Records: The A&D Committee will maintain a permanent file of all reports sent to it and the action taken. When any one person or team shows a trend toward numerous misconduct reports the Committee will contact such person or team for the purpose of warning or may call such person or team before it.

ARTICLE 12 COACHES' CODE OF ETHICS

12.1 Code of Ethics for Coaches: The coach must never place the value of winning over the safety, development and welfare of players.

12.1.1 Coaches will instruct players to play within the laws of the game and within the spirit of the game at all times.

12.1.2 Coaches will not seek unfair advantage by teaching deliberate unsportsmanlike behavior to players.

12.1.3 Coaches should not tolerate inappropriate behavior from players regardless of the situation.

12.1.4 Demands on players' time should never be so extensive as to interfere with academic goals and progress. Motivation for excellence should include academics as well as athletics.

12.1.5 Coaches must never encourage players to violate recruitment, eligibility, or guest player rules and policies.

12.1.6 Under no circumstances should coaches authorize or encourage the use of medicinal or performance enhancing drugs. Players should be directed to seek proper medical attention for injuries and to follow the physician's instructions regarding treatment and recovery. At no time should a player be put at risk by returning from injury prematurely or by being forced to play while injured.

12.2 Responsibility to BSYSA: Adherence to all BSYSA and NTSSA rules and policies, especially those regarding eligibility, team formation, recruiting, and guest players is mandatory and should never be violated. It is the responsibility of every coach to know and understand these rules.

12.2.1 Player development and the growth of the player through participation is essential to the

growth of the sport of soccer. Additionally, the coach must behave in such a manner that the principles, integrity, and dignity of the sport are maintained.

12.2.2 Any problems that cannot be resolved between coaches should be referred to the appropriate BSYSA Board Member or committee immediately.

12.3 Responsibility to the Laws of the Game: Coaches should be thoroughly acquainted with and demonstrate a working knowledge of the laws of the game of soccer. Coaches are also responsible to ensure that their players understand the intent as well as the application of the laws.

12.3.1 Coaches must adhere to the letter and spirit of the laws of the game.

12.3.2 Coaches are responsible for their players' actions on the field and must not permit them to perform with the intent of causing injury to opposing players.

12.3.3 If coaches permit, encourage, or condone performance which is not in the letter or spirit of the laws, they are derelict in their responsibility to players, the Association, North Texas Soccer and the sport worldwide. The coach must strive constantly to teach good sporting behavior.

12.4 Responsibility to Officials: Officials must have the support of coaches, players, and spectators. Criticism of officials undermines their purpose in the game. Coaches must always refrain from criticizing officials in the presence of players.

12.4.1 Coaches should strive to develop a line of communication with officials, giving each an opportunity to better understand the problems relating to their specific area. This section will not be taken as an encouragement to debate referee decisions during the match.

12.4.2 On game day, officials should be treated with respect before, during, and after the game. Officials should be addressed as "Referee" or "Mr./Ms./Mrs. Referee" and not by name. Professional respect should be mutual and there should be no demeaning dialogue or gesture between official, coach, or player. Coaches must not incite players or spectators or attempt to disrupt the flow of play.

12.4.3 Complaints/comments regarding an official should be made in writing to the appropriate organization assigning the official.

12.5 Responsibilities Regarding Scouting and Recruiting: It is unethical to scout any team, by any means.

12.5.1 The use of video tape or motion picture equipment to scout an opponent's regularly scheduled games for any purpose of recruiting is unethical.

12.5.2 All BSYSA and NTSSA rules pertaining to recruiting will be strictly observed by the coach, manager, and any team representative.

12.5.3 It is unethical to recruit player(s) playing for another team.

12.5.4 It is unethical for a player to be recruited or enticed from the Olympic Development Program (ODP) setting, either by his ODP coach or any other coach, manager, parent or team representative.

12.5.5 When discussing the advantages of his/her organization, the coach has an ethical obligation to be forthright and refrain from making derogatory remarks regarding other coaches, teams, and organizations.

12.5.6 It is unethical for any coach to make a statement to a prospective athlete which cannot be fulfilled; illegal to promise any kind of compensation or inducement for play; and immoral to deliver same.

12.5.7 Allegations of illegal or unethical recruiting are very serious and should be based on concrete facts. While documentation of recruiting violations is essential, the use of video tape and other electronic equipment is not allowed.

12.6 Responsibility of Public Relations: Coaches have a responsibility to promote the game of soccer to the public. Comments and critiques of governing bodies, teams, coaches, players, parents, or the media should be positive and constructive, never prejudicial or inflammatory.

12.6.1 When asked to give a recommendation concerning team, camp, coach, or organization, it is in the best interest of all concerned if no less than three referrals are given in order to provide a professional unbiased source of information.

12.6.2 Coaches have the responsibility to assist their players in conducting themselves properly when in public while representing their team, BSYS, and North Texas Soccer.

12.6.3 Comments stressing injuries, team, personnel conflicts, or disciplinary problems as an excuse for a loss or unsuccessful endeavor are detrimental and should be avoided.

12.6.4 It is unethical for a coach to solicit alumni, parents, booster club, or managers to pressure organizations, BSYS, or North Texas Soccer to alter established rules. The coach must not attempt to influence these organizations in political or financial dealings outside the framework of their own rules and bylaws.

12.7 Game Day and Other Responsibilities: A coach's behavior must be such as to bring credit to himself, his organization, and the sport of soccer. This is never more evident than on the day of the contest.

12.7.1 Opposing coaches should meet prior to the game and exchange friendly or professional greetings. While the concept of rivalry is wholly embraced, it cannot take precedence over exemplary professional conduct.

12.7.2 During play, coaches have a responsibility to be as inconspicuous as possible. Coaches will exhibit a respectful attitude towards players. The coach must confine himself to the coaching area (off of the field of play and between the top of the penalty areas). The attitude of the coach towards officials, spectators, opposing players and coaches should be controlled and undemonstrative.

12.7.3 It will be unethical for a coach to have any verbal altercation with an opposing coach or bench during the game. Hostile physical contact with a player is considered highly unethical.

12.7.4 The coach's foremost post game responsibility is his team.

12.7.5 Coaches should use their influence on unfriendly spectators that demonstrate intimidating behavior towards officials and opposing teams.

ARTICLE 13 REFEREES' CODE OF CONDUCT

13.1 The Referee should faithfully enforce the Laws of the Game and any special rules of the competition of the league(s) and officiate without prejudice or favoritism to any player, team or coach.

13.2 It is the professional duty of the Referee to constantly keep abreast of any changes in the Laws or Rules of Play and to keep physically fit. The Referee should constantly strive to improve the refereeing techniques and always accept sincere, constructive criticism from fellow referees or official assessors without malice.

13.5 Each Referee should acknowledge fellow referees' total authority over any matches in which they are duly assigned to officiate, and should pledge never to interfere with the carrying out of their prescribed duties, before, during, or after a match.

13.6 Any criticism of fellow referees should be limited to constructive criticism in quiet, private referee-to-referee discussions, and then never within hearing distance of players, coaches, or spectators.

13.7 As a registered Referee, I will always strive to conduct myself in the highest professional manner possible, including refraining from indulging in arguments or name calling with coaches and/or spectators.

13.8 I also acknowledge that if I am also a coach, player, or spectator, that my conduct towards, and my respect for, my fellow referee doing my game is more closely noticed by all concerned. I will, therefore, strive to set a very high standard of personal conduct under these circumstances to serve as an example to all.

13.9 I understand that I should wear only the approved USSF referee uniform with the current badge of the highest grade I am qualified for, and that my uniform be clean, neat, and in a good state of repair. I also understand that if I am a coach, which I am not to wear my uniform while coaching my team.

13.10 I further understand that I should not partake of any type of alcoholic beverage before any game assignment, and that I should never smoke, eat, or drink while actually officiating.

13.11 I hereby pledge that I will always faithfully carry out my duties and obligations as a USSF referee registered with the NTSSA; and that I do hereby acknowledge and accept the jurisdiction of the local NTSSA affiliated playing association I may be refereeing for, the NTSSA and USSF, and their respective Referee Committees, where applicable, over my actions, conduct, and performance as a registered USSF referee.

13.12 I furthermore understand that I may be disciplined, to include being placed on probation, suspended, or refused referee registration for significant or repetitive breaches of this Code of Conduct or any of its articles or provisions.

ARTICLE 14 CODE OF ETHICS FOR BOARD MEMBERS AND ADMINISTRATORS

14.1 None of us arrives at any administrative level, volunteer or not, without spending some "grass roots" time somewhere. We are appointed or elected to our positions because enough people had confidence in us, appreciation for what we had done in the past and assurance that we could lead them in a positive, productive future. This responsibility of accepting such a challenge, especially in a volunteer capacity, must have some guidelines.

14.2 It is important to remember that as board members or administrators we are very high profile. It is equally important that we remember that we are primarily a service organization and that we treat fellow volunteers as partners with a common goal: the organization, development and promotion of soccer. We should maintain high standards and serve by example.

14.3 Have respect for the game, players, officials, parents, coaches, association volunteers and fellow board members and deal with them in a patient, courteous and consistent manner. Board members/administrators will respect and honor the decisions made by the board, committees or general

membership; and will not undermine such decisions.

14.4 Criticism directed through the proper channels should be educational, constructive, balanced and positive. Under no circumstances should it be demeaning or detrimental to the self respect of the individuals involved. Proper channels will be defined as directly to the board member/administrator the criticism pertains to or in a meeting of the Executive Committee.

14.5 Administrators should be informed and available. As facilitators they should know the right questions, have the ability to elicit the right answers and foster creativity with accountability within their committee or area.

14.6 Regarding committee members and other volunteers: they should be praised for time spent and jobs well done; their suggestions welcomed, evaluated and conclusions communicated to them. Abilities should be recognized and encouraged. Above all, courtesy, self control and loyalty should be demonstrated at all times. We are role models for the youngest players to the newest association. Our responsibility is to serve them well as we work toward our common goal.

14.9 All board members will review, be familiar with, and comply with the Bylaws and General Rules of BSYSA.

14.10 Board members will only attempt to perform duties of fellow board members, committees, or administrators with the effected board member/committee/administrator's written permission or with written permission obtained from a meeting of the Executive Committee.

ARTICLE 15 CODE OF CONDUCT FOR PARENTS

15.1 Children have more need for example than for criticism.

15.2 Attempt to relieve the pressure of the competition, not increase it. A child is easily affected by outside influences.

15.3 Be kind to your child's coach and officials. The coach is a volunteer, giving of personal time to provide a recreational activity for your child.

15.4 Applaud good plays by your team and by members of the opposing team.

15.5 Do not openly question an official's judgment and honesty. Officials are symbols of fair play, integrity, and sportsmanship.

15.6 Accept the results of each game. Encourage your child to be gracious in victory, and to turn defeat into victory by working towards improvement.

15.7 Remember your child is involved in organized sports for their enjoyment.

15.8 Encourage your child to always play by the rules.

15.10 Teach your child that honest effort is as important as victory so that the result of each game is accepted without undue disappointment.

ARTICLE 16 ENFORCEMENT OF CODE OF ETHICS AND CONDUCT

16.1 Any BSYSA committee empowered to hold disciplinary hearings may investigate alleged violations and enforce the Codes of Ethics/Conduct.

16.2 No alleged violation of these Codes of Ethics/Conduct may be investigated unless the allegation is made, in writing, to the proper disciplinary committee OR unless the allegation is brought out in testimony before one of the Association's disciplinary committees.

16.3 Persons wishing to report alleged violations of these Codes should write a letter outlining the date, time, and circumstances of the alleged violation addressed to:

16.3.1 The Executive Committee for violations by coaches, managers, or team representatives

16.3.2 The Referee Coordinator for violations by referees or linesmen.

16.3.3 The Executive Committee for violations by board members, administrators, or committee members.

16.3.4 Letters should be mailed to the above officers at the BSYSA.

16.4 Consequences: common consequences of illegal or unethical behavior include, but are not limited, to the following: reprimand, probation, suspension from coaching or board duty.

ARTICLE 17 ADMINISTRATIVE PROCEDURES

17.1 In the event a board member is at midterm of a board position, is nominated for a different office and should not be elected to the different office, the board member may retain the office he/she originally held.

17.2 Board members must be present at board meetings to cast a vote. Proxies are allowed in limited circumstances.

17.4 Deposit of Funds: All cash, checks or other funds received by BSYSA (any board member, player, parent or volunteer) must be deposited in the general BSYSA account as soon as possible. Amounts of cash up to \$350 may be kept on hand to make change. When depositing funds indicate for each deposit the code (registration, tournament, camp, tshirts sales, etc.) on the deposit slip and give the deposit slip to the Treasurer. The office manager and those approved to sign checks may make deposits.

17.5 Fund expenditure policy will be as follows:

17.5.1 Expenditures of more than \$10,000 must be approved in advance by majority vote of the board. Approved budgets may not be exceeded without approval by the majority vote of the board.

17.5.2 For events requiring multiple expenditures (camps, fields, uniforms, tournaments, registration, fund raising, etc.) the coordinator of such event will present a line item budget to and obtain approval from the board by majority vote in advance of such event. Line item budgets may not be exceeded without a board approved amended budget. Within 14 days of the conclusion of such an event the coordinator will present a summary comparing budget items to actual expenditures.

17.5.3 All financial records will be kept by electronic method at the BSYSA office using the accounting program approved by majority vote of the board.

17.5.4 No reimbursable will be considered if the appropriate receipt is not submitted to BSYSA within 45 days.
