- The benefits of participating in SSVF Shallow Subsidy include payment of 50% of the contracted rent paid directly to the landlord, community-based services provided to the Veteran household for 2 years, and a dedicated point of contact for the landlord. Veterans that may be a good candidate for Shallow Subsidy services include Veterans who are employed, seeking employment, or are in school, elderly or disabled Veterans on a fixed income, and Veterans who are eligible to receive Section 8. SSVF at UVM has capacity for enrollment into the Shallow Subsidy program. Please call our intake line at 802-656-3232 with Shallow Subsidy referrals.
- SSVF at UVM is fully staffed with Outreach and Enrollment Coordinators as well as Health Care Navigators. If you are interested in learning more about the SSVF program or specifically Health Care Navigation Services, please reach out to us so we can provide outreach materials or schedule a time to meet in person!
- In Q1 FY23, 43 clients were screened. Of those, 30 were eligible for services, or 70%. This high percentage of eligible referrals demonstrates the quantity of appropriate referrals being made to SSVF at UVM by the VAMC, the VCR, Lead Agencies, and Economic Services.

Did you know?

- SSVF at UVM is required to have all literally homeless Veterans apply for ESD and exhaust available shelter opportunities before Emergency Housing Assistance can be provided. If you are referring a literally homeless Veteran to SSVF, please help provide them with ESD resources so EHA status determination can be made as quickly as possible.

SSVF Wants to Hear from You!

SSVF at UVM is always looking for community feedback. Starting FY23, SSVF is planning on conducting annual phone surveys to its Advisory Group members to gather quality feedback from the community. SSVF at UVM looks forward to hosting an annual meeting in November. Stay tuned for more information regarding this coming up at the end of Q2.
