Program Updates from SSVF at UVM:

- Pathways Vermont has ended their direct service contract with SSVF at UVM as of 12/31/23. SSVF at UVM has migrated all direct service positions in-house at UVM. We are excited to welcome Marc Price and Jessica McDonald as new Team Supervisors, and Kelly Frederick, Misty Grassley, Brenna Jepson, Stephanie Clausnitzer, John Toohey, and Jodi Stanley as new Housing Service Coordinators. We are still hiring for 2 Northern Vermont and one Southern Vermont Housing Service Coordinators. If you know someone who may be interested, please visit <https://www.uvmjobs.com>
- Supportive Services for Veteran Families at the University of Vermont has raised the income eligibility to 80% AMI. Veteran households can now meet income eligibility with up to 80% AMI for the area where they are residing. This will allow SSVF to serve a broader population of Veterans in need.
- SSVF at UVM is implementing the use of Landlord and Veteran Incentives. These incentives are intended to help house the Veterans with the most barriers to stable permanent housing and to address quality of life for the Veterans housed, offering comforts most people expect in their homes.
- SSVF is actively referring qualified enrolled Veterans to our SSVF Shallow Subsidy Service. SSVF at UVM Shallow Subsidy can support 50% of rental payments for up to two years to help Veterans become stable in permanent housing.

SSVF Wants to Hear from You!

SSVF at UVM is always looking for community feedback. If you know of a Veteran population or need that is not being met in the community, SSVF at UVM wants to hear from you. SSVF at UVM is looking to use public input from our stakeholders to make continuous improvement to the services our program provides. For more information about SSVF at UVM go to www.ssvf-uvm.com

If you know of anyone that would benefit from this quarterly SSVF at UVM update, or you think should be involved in the SSVF at UVM Advisory Group, please email Josey McDonald at Josey.McDonald@uvm.edu with contact information!
