Total Veteran Households Served

FY21: 129

RRH: 86

Prevention: 47

Outreach Highlights:

SSVF at UVM continues to be deeply engaged with state and municipal outreach:

- Continued monthly support and participation in the 3 federally recognized CoCs, VT-500 VCEH, VT-501 CCHA, and NY-516 Clinton County, NY
- Briefed WRJ VA Director, VT Legislator and HUD State Director, and Senator Leahy’s office on the status of Veteran homelessness
- Participated in statewide COVID-19 Homeless Prevention bi-monthly meetings

Direct Homeless Engagement:

- 15 of 15 (14 VT, 1 NY) counties had outreach conducted in FY21 Q2
- 264 out of 270 townships had outreach contacts in FY21 Q2
- 52 Path, community meal, camp ground, or faith based outreach contacts made in FY21 Q2
- 569 total outreach efforts made FY21 Q2

Successes:

- During Q2, the ratio of RRH to Prevention eligible screens (81% RRH vs. 19% Prevention) far exceeded the VA SSVF target ratio of 60% to 40%. The continued high referral concentration from the VA and the Vermont Veterans Committee Representative that supports CE referrals, shows that the Coordinated Entry system and VA collaboration in Vermont is working well
- The completion rate for the Local Satisfaction Survey was extremely high at 61.54% for Q2. For the quantitative questions, all categories received above the acceptable average rating of 4.0

Improvement Plans:

- EHA Reassessment Process Improvement Plan to support on-time submission of reassessments for clients in EHA
- Advisory Group Diversification Expansion Improvement Plan to assess current member of the SSVF at UVM Advisory Group and actively seek out additional members to better represent the community at large
