Program Updates from SSVF at UVM:

- At the end of December, the VA announced that VA service-connected (SC) disability benefits are excluded for purposes of determining income eligibility for SSVF enrollment. This means that Veterans with the highest SC disability rating will still be eligible for SSVF services. Veterans with income over 80% AMI including the SC disability will not however be eligible for Temporary Financial Assistance.
- SSVF at UVM had begun Collaborative Case Management with the WRJ HUD-VASH program. SSVF has 20 available vouchers to be used in this collaborative model assisting Veterans eligible for HUD-VASH with low clinical need to find and become stable in housing.
- SSVF at UVM is looking to hire a Housing Service Coordinator in the North East Kingdom service area. If interested please go to <https://www.uvmjobs.com/postings/78945>
