A range built for modern retail and foodservice.

From indulgent brownies and cheesecakes to cookies, cakes and desserts.

Retail.

Built for freezer aisles and impulse zones. Pack architecture optimized for shelf legibility, consumer cue clarity, and minimal preparation friction.

Foodservice.

QSR speed, hotel banquet flexibility, cloud kitchen consistency. Bake times standardized at three minutes across the range.

Snack & Convenience.

Multi formats and impulse SKUs. Heat-and-eat presentation engineered for grab-and-go retail and modern convenience channels.

Certifications

Our manufacturing partners operate under internationally recognized standards to ensure consistent product quality, reliable supply, and full traceability.

Depending on the product and market requirements, our portfolio is available with internationally recognized certifications, including food safety, quality management, and market-specific compliance.
