

In order to comply with countryside planning policy, we operate as a Greener Camping Club members-only campsite. The Club was established by people with a passion for sustainable, eco-friendly camping holidays. When you book your holiday with us, you will be enrolled as a member of the Club. Membership costs just £12 for the calendar year and gives you access to some of the greenest campsites in the UK. It also includes participation in the Club's 'Trees for Life' scheme, whereby a tree is planted for every member we enrol.

**Wild Camping, Wiltshire is an off-grid campsite with no mains electricity, water or drainage or wifi. We use solar energy to pump water from our borehole and whilst every effort is made to provide water, campers should understand we can't guarantee plentiful supplies but will provide drinking water in reusable water cans.**

**Wild Camping, Wiltshire welcomes children and dogs. Each tent pitch and campervan pitch must include one adult (18 years +) and a maximum of 5 people pitch. We allow two dogs per pitch as an added extra. One vehicle is allowed per tent pitch. No additional vehicles are permitted to the campervan pitches.**
