ACE DIVER

Our ACE range continues to make waves in the world of premium Swiss watches. Building on the success of our ACE Genesis collections, we are proud to launch a new ACE collection: the ACE Diver. As the name suggests, this new collection has a stunning diver look and the premium materials you expect from an ACE timepiece.

Features

Coming in 5 adventurous designs, the new ACE Diver is a powerhouse of confidence wrapped up in a sleek design. The key elements are all present; bold design, luxurious materials, and cutting-edge Swiss made technology at the heart of it all. Powered with Ronda 5030.D Swiss made chronograph movements, the collection comes in an 44mm case featuring scratch resistant, anti-reflective sapphire crystal, Swiss Super Luminova and a battery life of 4,5 years. All timepieces feature a soft rubber strap and come in a luxury gift box. To top it off, all models are waterproof to a depth of 300 meters.

Ordering / Pricing

The new ACE Diver collection can be ordered immediately. Please make sure to place your order a.s.a.p. in order to receive the products in time. Place your orders using the accompanying order form.

Delivery

We aim to deliver these timepieces in March 2020.

Samples

Given the pre order character of this collection, we will not have any samples available.

Promotion

We actively encourage you to introduce the media in your territory to promote our latest models. Advertisements and high-resolution images will be made available on request. Please ensure you pass on all details of these models to the appropriate PR personnel / agencies you are working with in the promotion of TW Steel in your territory. Should you require additional assistance with promotion then please don't hesitate to contact the Marketing Department at TW Steel HQ
