

2020/2021 SEASON
July 2021
Issue 9

Dear Members & Dressage Enthusiasts –

Happy hot summer days to all but it looks like we are in luck for our upcoming meeting on Monday, August 16th for a bit cooler weather. The Reilly Township Fire Department will talk to us and demonstrate Horse Rescue and Safety, and as you all know this is a very important issue for all of us. So bring some of your horse friends, even if they are not a member.

Also I assume lots of us watched some of the equestrian events of the Olympics, and don't we just all dream we could ride like they can. But it does not come without issues as well, and this may be another good subject for a meeting.... Not only the physical stress on horse and riders ...but what about the mental fitness for this team sport. How much pressure do we put on ourselves, and on our horses to reach our goals. There is a reason why top athletes have sports psychiatrists. Like I said, this could be another good topic.

Hope to see you Monday 8/16.

MEETING MINUTES

July 19, 2021 Dressage Company Meeting at El Rancho Margarita

Meeting called to order at 7:05PM

Minutes as published from April meeting were approved.

Treasurer reported our only recent expense was our painting party in May.

No change in number of members.

Old Business:

YEA Banquet-it was reported that Majestic Farm is being contacted to see if they are doing a year end banquet, and ask them if they want to join us if we have one. At this point it does not look like The Dressage Company will have a big event, due to Covid as well as low numbers of entrants.

Horse Show- we are checking to see if Majestic Farm will return to leasing their property in 2022 for shows. Miami University has a new arena, and will consider allowing us to have a show there, but there is no information on cost yet. Walnut Creek is still not sure if they will return to hosting shows in 2022 due to the health of the ownership.

Programming- The Riley Fire Department will do a presentation on Equine Rescue and Safety at Isi Brown's farm on August 16, 2021 at 6:30PM. More information will be emailed to the membership. We are trying to get Laura Smiley, DVM to do a presentation on Equine Dentistry in September. Isi Brown also suggested a "field trip" at a future date to tour some farms in KY.

Shows-Leslie Laine has made a list of all local shows, and a chart to let riders know if the judge at each show would count for year end awards. This will be sent to the membership.

New Business:

Newsletter-Isi Brown asked if the newsletter was still useful, and if it needs to contain as many items as she has been adding. It was discussed and determined that it is useful for sending out information about meetings, minutes, etc, but does not have to contain articles that could be easily accessed on the internet.

Judging-a discussion was held about the disparity between judges at the rated show level, as well as at schooling shows. It was noted that at a rated show, a competitor can fill out a survey for USDF about the judges, and this might be helpful to let the USDF know that some are not particularly fair or consistent, and don't seem to score according to the definitions of what each numerical score should represent.

The meeting was adjourned at 8:10PM
