SPARK RESEARCH DATABASE FROM LIGHTBOX LEARNING

Where little learners find answers to their big questions

Bilingual K-2 reading and research with read-to-me audio.

Spark LIGHTBOX

Hundreds of kid-friendly topics

450+ interactive eBooks

100+ hours of videos

ENG/SPA switch with one click

Made for Colorado's K-2 classrooms

Built for beginning readers

Short, simple articles with read-to-me audio and word-by-word highlighting.

English and Spanish

English learners and bilingual kids read along with real human voices in both languages.

Easy to search

Kids can search by voice, and smart search helps kids who are learning to spell.

The whole class at once

One link, no usernames or passwords. Everyone can read the same article together.

Search by standards

Teachers can find resources by Colorado standards, grade, and subject in seconds.

Your school's logo on Spark

Plus printable QR codes for family nights, so families can explore together at home.

Coming December 2026: Explore Colorado!

State symbols, our capital, Native nations, sports teams, and more.

Intro Pricing

$999 per school, per year, locked in for 3 years

Regular price $1,499
Multi-school discounts available
Everything included, no add-ons
